

This is taken from the back cover of a book. Study it and answer the questions below.

**GARDEN SAFARI**

Written and illustrated by Roger Lawn.

Photographed by Arthur Click.

“Garden Safari” takes you on an exciting journey through the average suburban garden.

Marvel at the delicacy of a spider’s web. Admire the beauty of our common butterflies.

Wonder at the strength of an ant.

The book is beautifully illustrated with coloured photographs and line drawings.

Clear and concise explanations are given throughout the book by award winning naturalist Roger Lawn.

This book is a must for those with or without a garden.

£6.99

Published by Pattern Press.
