## COMMON ENTRANCE EXAMINATION AT 13+

# MATHEMATICS

## MENTAL ARITHMETIC TEST

EXAMINER'S COPY

11, 12, 13 or 14 May 2005

This sheet must not be given to candidates.

- The whole test is expected to take about 20 minutes.
- The instructions and test questions are on the CD supplied.
- Before you start, identify the **pause** button on your machine.
- There are two occasions, one after the instructions and one after the practice question, when the CD should be paused. These are indicated by a 'beep' on the CD.
- A transcript of the instructions and test questions is printed overleaf. In the case of emergency, each question is to be read out **twice**, exactly as it is printed. Then allow the appropriate time before starting the next question.
- **The following information is to be read out to candidates before the test begins:**

- Answers are to be written in the spaces provided on the answer sheet.
- You may use a pen or pencil.
- You may not use calculators, rulers, geometrical instruments etc.
- Erasers and correcting fluid are not permitted. If you wish to change an answer, you should cross it through and write the correction beside it.
- Write your name, the name of your junior school and the senior school for which you are entered at the top of the answer sheet.

Turn over for the transcript of the instructions and for the questions.
