

In these questions the two shapes are either added together or subtracted from each other. The shapes do not turn. Select one letter each time and mark it on the answer sheet. Look at this example.

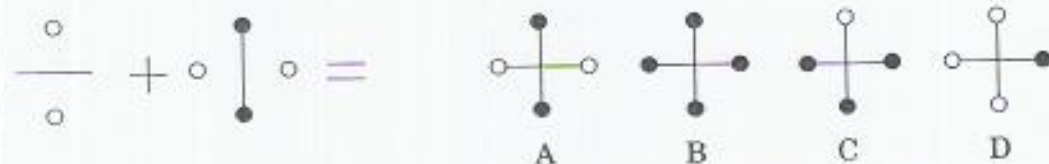

| Example |                                     |
|---------|-------------------------------------|
| A       | <input type="checkbox"/>            |
| B       | <input checked="" type="checkbox"/> |
| C       | <input type="checkbox"/>            |
| D       | <input type="checkbox"/>            |
