At the financial year end 31 March 2010, Daisy Ltd's Schedule of Creditors had a balance of £397 910, which differed from the Purchases Ledger Control Account balance at that date.

The following errors were subsequently discovered.

- (i) The total of the Purchases Journal had been overcast by £7 200.

- (iv) S. Laurel is both a customer and a supplier to Daisy Ltd. S Laurel supplied goods to the value of £24 200, and purchased goods to the value of £32 820. A contra entry had been agreed and entered in the Purchases Ledger, but no corresponding entry had been made in the control account.
- (v) Daisy Ltd purchased goods on credit at a cost price of £5 600 from Nalin Ltd. No entries had been made in the accounts to record this transaction.
- (vi) The discounts received total had been undercast by £1 600.
- (vii) A cheque for £2 800 sent to a supplier for goods received had been returned to Daisy Ltd as it had not been signed. As at 31 March 2010 a replacement cheque had not been issued and the return of the original cheque had not been recorded in Daisy Ltd's books.
- (viii) A purchase return of £900 to P Daniel had been entered as a credit on his account. The correct entry had been made in the control account.
