Questions 5 to 7 relate to the information given below.

Figure 2

Parees Barot owns five garages and showrooms in the Manchester area where new and second hand cars are sold and customers' cars are repaired. These outlets have been very successful but there is spare capacity. He is, therefore, thinking about advertising on regional television with the objective of using the spare capacity. He has found the details shown on **Table 1** about advertising with ITV1 *Granada*.

Table 1 – Bronze, Silver and Gold rates as at 1st January 2006

Package	10 sec.	20 sec.	30 sec.	Timing	Details
Bronze	£8 760	£11 680	£14 600	3 peak time 7 off-peak	Subsidy towards basic graphics package and voice over. Use of client's still photographs or artwork.
Silver	£13 140	£17 520	£21 900	5 peak time 10 off-peak	As for Bronze, plus additional library music.
Gold	£17 520	£23 360	£29 200	7 peak time 13 off-peak	As for Silver, but the graphics package has digital effects.
