

NOTICE TO CENTRES

FAO: Exams Officers

Date: May 2013

Subject: Changes to A level qualifications

REMOVAL OF JANUARY ASSESSMENT FOR A LEVEL QUALIFICATIONS

This update is to remind all centres of an Ofqual change to the A level assessment window, effective from September 2013.

The change requires all Awarding Organisations to remove the January assessment window for A levels. This means that in January 2014 there will be no assessment of A level units at AS or A level.

In response to this, we have revised our A level specifications and support materials accordingly. Updated materials will be available on our website soon. All other qualification content remains unchanged.

More information about the changes to A level assessment can be found on the Ofqual website at: <http://www.ofqual.gov.uk/qualifications-and-assessments/qualification-reform/questions-and-answers/>
