

Please read the instructions before completing this form

Examination Session	
---------------------	--

Year	
------	--

Unit Code	G044	Unit Title	Problem solving using ICT
-----------	------	------------	---------------------------

Centre Number		Centre Name	
---------------	--	-------------	--

Candidate Number		Candidate Name	
------------------	--	----------------	--

**Evidence:** The candidate identifies and explains the problem to be solved with the benefits of the solution to the organisation; proposes a solution to the problem; describes the information which will be used by the proposed solution; identifies the differing types of software which are used in an organisation and the levels at which they are used; identifies and explains the quality procedures which need to be used in the proposed solution; identifies and explains the system boundaries and environments which will be affected by the proposed solution; evaluates the proposed solution and your performance in solving the problem.

If work is a re-sit, please tick		Session and Year of previous submission	January/June	2	0		Please tick to indicate this work has been standardised internally	
----------------------------------	--	---	--------------	---	---	--	--	--

A.1 Criteria (0 - 1 marks)	Comment	Page
<ul style="list-style-type: none"> <li>The candidate identifies the problem to be solved;</li> </ul>		
<b>A.2 Criteria (2 marks)</b> <ul style="list-style-type: none"> <li>The candidate gives a simple explanation of the problem with some of the benefits to the organisation explained;</li> </ul>		
<b>A.3 Criteria (3 marks)</b> <ul style="list-style-type: none"> <li>The candidate gives a detailed explanation with the benefits of the solution to the organisation fully explained.</li> </ul>		
B.1 Criteria (0 - 1 - 2 marks)	Comment	Page
<ul style="list-style-type: none"> <li>The candidate produces a simple solution which does not fully solve the problem;</li> </ul>		
<b>B.2 Criteria (3 - 4 - 5 marks)</b> <ul style="list-style-type: none"> <li>The candidate produces a solution to the problem covering most of the defined requirements; and which is appropriate to the organisation;</li> </ul>		
<b>B.3 Criteria (6 - 7 - 8 marks)</b> <ul style="list-style-type: none"> <li>The candidate produces a detailed solution which fully solves the problem and is appropriate to the organisation.</li> </ul>		
C.1 Criteria (0 - 1 - 2 marks)	Comment	Page
<ul style="list-style-type: none"> <li>The candidate gives an incomplete description of the information which is used by the proposed solution;</li> <li>the candidate considers some of the inputs/outputs of the system and identifies the levels, within the organisation, at which the information will be used;</li> </ul>		
<b>C.2 Criteria (3 - 4 marks)</b> <ul style="list-style-type: none"> <li>The candidate gives a description of the information which is used by the proposed solution;</li> <li>the candidate considers most of the inputs/outputs of the system;</li> <li>the candidate describes the levels, within the organisation, at which the information will be used;</li> </ul>		
<b>C.3 Criteria (5 - 6 - 7 marks)</b> <ul style="list-style-type: none"> <li>The candidate gives an explanation of the information which is used by the proposed solution;</li> <li>the candidate considers all the inputs/outputs of the system;</li> <li>the candidate explains the levels, within the organisation, at which the information will be used and include a detailed explanation of the use of the information at each level.</li> </ul>		

D.1 Criteria (0 - 1 - 2 marks)	Comment	Page
<ul style="list-style-type: none"> <li>The candidate identifies the differing types of software which are used at the different levels within an organisation;</li> </ul>		
D.2 Criteria (3 - 4 marks)		
<ul style="list-style-type: none"> <li>The candidate identifies and describes, the differing types of software which are used at the different levels within an organisation;</li> <li>the candidate describes how the software could be used;</li> </ul>		
D.3 Criteria (5 - 6 marks)		<b>Mark (Max 6)</b>
<ul style="list-style-type: none"> <li>The candidate identifies and explains the differing types of software which are used at the different levels within an organisation;</li> <li>the candidate explains how the software could be used.</li> </ul>		
E.1 Criteria (0 - 1 marks)	Comment	Page
<ul style="list-style-type: none"> <li>The candidate identifies and describes the quality procedures which could be used when developing the proposed solution;</li> </ul>		
E.2 Criteria (2 - 3 marks)		
<ul style="list-style-type: none"> <li>The candidate identifies and provides an explanation, covering advantages or disadvantages of the quality procedures which could be used when developing the proposed solution;</li> </ul>		
E.3 Criteria (4 - 5 marks)		<b>Mark (Max 5)</b>
<ul style="list-style-type: none"> <li>The candidate identifies and provides an explanation, covering advantages and disadvantages, of the quality procedures which could be used when developing the proposed solution.</li> </ul>		
F(i).1 Criteria (0 - 1 - 2 - 3 marks)	Comment	Page
<ul style="list-style-type: none"> <li>The candidate produces incomplete system boundary diagrams;</li> <li>the candidate's diagrams do not conform to industry standards and conventions;</li> </ul>		
F(i).2 Criteria (4 - 5 - 6 marks)		
<ul style="list-style-type: none"> <li>The candidate produces complete system diagrams showing either the inputs or outputs of the system;</li> <li>the candidate's diagrams follow industry standards and conventions;</li> </ul>		
F(i).3 Criteria (7 - 8 - 9 marks)		<b>Mark (Max 9)</b>
<ul style="list-style-type: none"> <li>The candidate produces detailed system diagrams showing the inputs and outputs of the system;</li> <li>the candidate's diagrams follow industry standards and conventions.</li> </ul>		
F(ii).1 Criteria (0 - 1 marks)	Comment	Page
<ul style="list-style-type: none"> <li>The candidate identifies the system boundaries and environment which are affected by the proposed solution;</li> <li>the candidate does not consider how the proposed solution will affect other systems within the organisation;</li> </ul>		
F(ii).2 Criteria (2 - 3 marks)		
<ul style="list-style-type: none"> <li>The candidate identifies and describes the system boundaries and environment which are affected by the proposed solution;</li> <li>the candidate describes how the proposed solution will affect the other systems within the organisation;</li> </ul>		
F(ii).3 Criteria (4 - 5 marks)		<b>Mark (Max 5)</b>
<ul style="list-style-type: none"> <li>The candidate identifies and explains the system boundaries and environment which are affected by the proposed solution;</li> <li>the candidate explains how the proposed solution will affect the other systems within the organisation.</li> </ul>		
G.1 Criteria (0 - 1 - 2 marks)	Comment	Page
<ul style="list-style-type: none"> <li>The candidate produces a simple evaluation of the proposed solution, including a comment on their actions and role in proposing a solution;</li> </ul>		
G.2 Criteria (3 - 4 - 5 marks)		
<ul style="list-style-type: none"> <li>The candidate produces an evaluation of the proposed solution discussing the aims, objectives or goals, including comments on their own actions and roles in proposing a solution;</li> </ul>		
G.3 Criteria (6 - 7 marks)		<b>Mark (Max 7)</b>
<ul style="list-style-type: none"> <li>The candidate produces a detailed evaluation of the proposed solution discussing the aims, objectives and goals, including reflection of their experiences to improve their own performance, suggesting how they might approach a similar task in the future</li> </ul>		
Please note: This form may be updated on an annual basis. The current version of this form will be available on the OCR website ( <a href="http://www.ocr.org.uk">www.ocr.org.uk</a> ). The completed Centre Authentication form CCS160 <b>must</b> accompany the MS1 when it is sent to the moderator		<b>MARK TOTAL</b>

### Guidance on Completion of this Form

- One** form should be used for each candidate.
- Please ensure that the appropriate boxes at the top of the form are completed.
- Please enter *specific* page numbers where evidence can be found in the portfolio, and where possible, indicate to which part of the text in the mark band the evidence relates.
- Enter the mark awarded for each strand of the marking criteria in the appropriate box and also enter the final mark in the total column.
- Add the marks for the strands together to give a total out of 50. Enter this total in the relevant box.
