Stimulus 1: Dumplings

Dumplings are probably one of the most popular foods in the world. There are many kinds of dumplings, filled with meat and vegetables.

Dumplings are a favourite food in China, especially in Northern China. Dumplings are a traditional dish eaten at Chinese New Year. On Chinese New Year's Eve the whole family makes dumplings together.

Dumplings are easy to make and delicious to eat.

Glossary:

Dumpling: 餃子 饺子

TOPIC AREA: FOOD, DIET AND HEALTH

Stimulus 3: Healthy food

People are living longer and longer nowadays. Some people live to over 100 years old and some are still working at 70.

Eating healthily and doing exercise are important for a healthy life. Some people believe that eating less can help you to keep fit. Doctors say that the best way to lose weight is to exercise more, eat more fruit and vegetables and less fast food.

People need to learn healthy eating habits when they are young. Parents and schools should help them by providing healthy meals.

Guidance

Please respond **in Chinese** to the bullet points below. You are **not** expected to refer to the full content of the above.

- State what the above article is referring to (a full summary is **not** required).
- What do you eat on a typical day?
- In your opinion, is fast food unhealthy and why?
- What exercise do you do and how often?
- What do you think are the best ways to keep fit and healthy?

Stimulus 4: Midday nap

A proper sleep is important to one's health. If people do not get enough sleep, they feel tired and unhappy and cannot concentrate on work and study.

Doctors suggest that an average adult needs 8 hours of sleep per night.

In the middle of the day, people often feel sleepy after lunch. In many countries where the weather is hot, people will take a nap at this time. In China, students are encouraged to have a rest at their desk, for 10 to 30 minutes.

Glossary:

Midday nap: 午睡 午睡

Guidance

Please respond **in Chinese** to the bullet points below. You are **not** expected to refer to the full content of the above.

- State what the above article is referring to (a full summary is **not** required).
- Do you feel that you get enough sleep? Why?
- Do you think it is a good idea to have a midday nap? Give reasons.
- How do you stay alert and concentrate when you are tired?
- What other factors are important for maintaining good health?

TOPIC AREA: TRANSPORT, TRAVEL AND TOURISM

Stimulus 5: Budget airlines

More and more people choose to use low-cost airlines to travel to other European cities or even Asia. Most flights are direct and cheap.

These airlines generally offer only economy seats. They operate on a first-come, first-served basis, so the earlier you arrive at the airport the better seat you get.

In order to keep the price low, these airlines offer a seat-only price. Passengers need to pay extra for their food, drink and luggage.

Glossary:

First-come, first-served: 先到先得 先到先得

Guidance

Please respond **in Chinese** to the bullet points below. You are **not** expected to refer to the full content of the above.

- State what the above article is referring to (a full summary is **not** required).
- What is the main difference between normal and low-cost airlines?
- Some people prefer low-cost airlines. What is your opinion?
- How do you normally travel when going on holiday?
- What do you do during your holidays? Give details.

Stimulus 6: Crowded Great Wall

Tourism has become an important part of the economy of many countries. However, along with building more roads and hotels, tourism may cause serious damage to the environment and culture of a country.

The Great Wall is one of China's world-famous attractions and is visited by several million people every year. It is so crowded at weekends and at holiday times that it is difficult for tourists to enjoy it.

In order to solve the problem, the Beijing government has recently set a limit on visitors to 50,000 per day.

Guidance

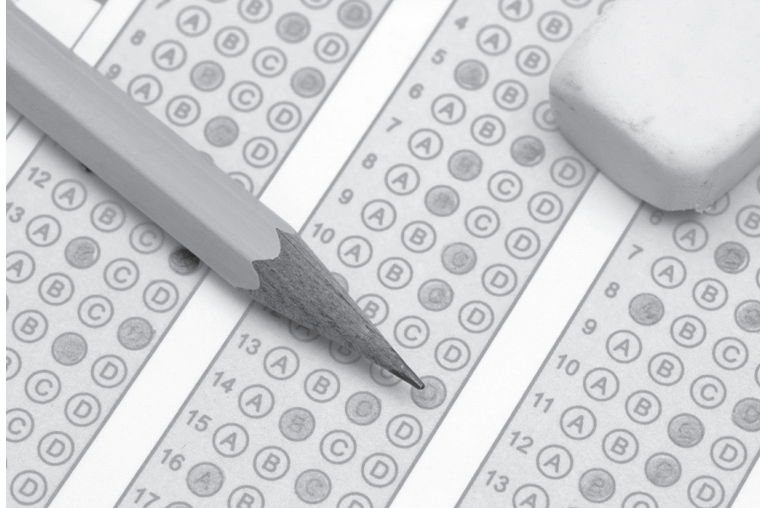

Please respond **in Chinese** to the bullet points below. You are **not** expected to refer to the full content of the above.

- State what the above article is referring to (a full summary is **not** required).
- What are the problems that tourism may cause? Give examples.
- Do you think it is a good idea to limit the number of visitors? Why?
- In your opinion, what are the reasons that tourists are interested in visiting China?
- What places would you like to visit on holiday and why?

Stimulus 7: A* at A-level exams

In the past few years, more and more students in Britain have been getting A grades for A-level exams. About a quarter of A-level students now get an A grade.

In 2010, students were able to get an A* at A-level for the first time.

Because so many students get A grade some famous universities now use A* to choose students. Students who want to go to the best universities need to work harder to get an A*.

Guidance

Please respond **in Chinese** to the bullet points below. You are **not** expected to refer to the full content of the above.

- State what the above article is referring to (a full summary is **not** required).
- Why has A* been introduced?
- Do you think exams are important? Why?
- How do you prepare for your exams?
- What are you planning to do after leaving school and why?
