

OCR A Level Classical Greek

H040 and H440, replacing 3817 and 7817:

Information for OCR centres transferring to the **new specifications for first teaching in 2008**

This document maps the current A Level Classical Greek specifications to the new specifications for first teaching in September 2008. It includes information on the changes, support available and an outline of the new specifications. It is intended to help ease the transition for Heads of Department and Teachers involved in the teaching of Classical Greek.

The full specifications are available online along with a short questionnaire enabling you to share your comments on these specifications and help shape the materials developed to support it. For more information including answers to frequently asked questions visit www.ocr.org.uk/14-19alevels
