Read the **resource booklet** and then answer **all** the following questions:

**Important note**

Governments and fertility clinics have to make choices about providing IVF treatment. You may interpret question 1 with reference to governments and/or fertility clinics. Question 2 refers to governments and questions 3 and 4 to clinics.

- 1 (a) Suggest and briefly explain **one** problem with the reasoning in **Document 1** in **favour** of restricting the age at which women may receive IVF. [3]
- (b) Suggest and briefly explain **one** problem in using **Document 3** to **oppose** restricting the age at which women may receive IVF. [3]
- 2 Governments could decide to set a maximum age for women to receive IVF treatment. Suggest and briefly explain **two** problems in putting such a policy into practice. [3+3]
- 3 Fertility clinics could choose to provide IVF treatment to women up to the age of 60 but not older. Suggest **three** criteria (eg child welfare) and use them to evaluate this choice. [12]
- 4 Write an argument supporting any **one** choice which fertility clinics could make concerning which women they would accept for IVF treatment. You may use the choice referred to in question 3 or any other choice.

In your argument you should use some relevant principles and explain why you have rejected at least one **alternative** choice. Support your argument by referring critically to material from the resource booklet. [36]

**Total Marks [60]**
