Information for Teachers

The Teacher's Notes, including the teacher script, has been produced to aid teachers in their delivery of this specification in the second year of this assessment.

The teacher script is used by the teacher in the practical examination to guide the candidates through the Advanced Innovation Challenge.

The answer booklet, which you will receive in November, is completed by the candidates on 10 December in the 6 hour practical examination 'Advanced Innovation Challenge'. You will receive a different answer booklet before 7 May, with different tasks for candidates to complete in the summer series.

In future teachers will be expected to download these resources from the OCR website.
