Mark Scheme

2009 examination - June series

This mark scheme uses the new numbering system which is being introduced for examinations from June 2010

Mark schemes are prepared by the Principal Examiner and considered, together with the relevant questions, by a panel of subject teachers. This mark scheme includes any amendments made at the standardisation meeting attended by all examiners and is the scheme which was used by them in this examination. The standardisation meeting ensures that the mark scheme covers the candidates' responses to questions and that every examiner understands and applies it in the same correct way. As preparation for the standardisation meeting each examiner analyses a number of candidates' scripts: alternative answers not already covered by the mark scheme are discussed at the meeting and legislated for. If, after this meeting, examiners encounter unusual answers which have not been discussed at the meeting they are required to refer these to the Principal Examiner.

It must be stressed that a mark scheme is a working document, in many cases further developed and expanded on the basis of candidates' reactions to a particular paper. Assumptions about future mark schemes on the basis of one year's document should be avoided; whilst the guiding principles of assessment remain constant, details will change, depending on the content of a particular examination paper.

AS UNIT 1 (LIVE THEATRE PRODUCTION SEEN) MARK SCHEME – DRAM1A

JUNE 2009

INTRODUCTION

This section of Unit 1 assesses Assessment Objectives 2 and 4.

AO2 requires that candidates “demonstrate knowledge and understanding of practical and theoretical aspects of drama and theatre using appropriate terminology”.

AO4 requires that candidates “make critical and evaluative judgements of live theatre”.

AO2 and AO4 have weightings of 10% and 20% respectively.

Questions are marked for each of the two Assessment Objectives separately and then the marks added together to give a total out of 50.

Quality of Written Communication (QWC) is also assessed. All questions require answers written in continuous prose. Statements referring to QWC are included within the assessment criteria for each performance band. QWC will be assessed as an integral part of the judgement of the quality of a candidate's response.

Shorthand/symbols for Examiners

Examiners may use these recognised symbols in the left hand margin of candidates' scripts or in the body of the answers, against relevant points or errors:

relevant or good point = ✓

very good point = ✓✓

dubious point = ?

possible = (✓)

omission = □□

point needs development = and....?

argument difficult to follow/confusion/muddle = } in margin

evidence of knowledge = kn

evidence of understanding = und

wrong-headed/silly argument or suggestion = !

repetition = R

irrelevance = I

narrative = N

factually wrong = X

practical detail missing = How?

losing focus on question = Q?

wrong word used = ww

poor expression = E

spelling error = reh~~u~~rsal or re~~h~~ersal [underline or ring]

example needed = eg?

generalised = G

contradiction = C

specialist terminology needed = term?

Examiners may still make fuller comments, as appropriate, in the body or margin of the script and should **ALWAYS** put a summative comment, at the end of the candidate's answer, which relates clearly to the mark bands awarded.
