Dear Head of Drama,

We are writing to you in regards to the example work for Unit 2 - *Theatre Text in Performance*, GCE Drama and Theatre Studies.

To support the preparation of your Unit 2 candidates we are providing centres with both practical and written assessed work. This is supported by the Principal Examiner's comments on the candidates' work. Section A comprises of two performances supported by written performance concepts. Section B comprises of one group performance with Examiner comments.

The Section A and Section B performances have been recorded and sent to you on a DVD that accompanies this letter. Unfortunately, we are unable to provide more than 2 examples of candidates for Section A but we hope to make more available in future. The reason that we have unfortunately not been able to provide more examples is due to copyright permission.

Please refer to the Edexcel website for the Written Performance Concepts and the Examiner's comments for Section A and Section B. To access the example materials please go to <http://www.edexcel.com/quals/gce/gce08/drama/Pages/default.aspx>

It is important to note, your students do not have to write the Written Performance Concepts in continuous prose as in the example materials.

Please refer to the Instructions for The Conduct of the Examination booklet, also found on the Edexcel website, for details of the supporting evidence required for Unit 2.

All the work has been produced by a group of students, supported by their teachers, and the Drama Assessment team is very grateful for their support.

Yours Sincerely,

The Drama Assessment Team
