**This unit targets AO2 and also assesses AO1 and AO4.**

The material for these tasks is in a separate booklet. You should refer to the copy that was given to you in advance of the examination.

You are advised to spend about a quarter of an hour in further preparation and about three quarters of an hour in writing the task and a further half an hour on the commentary.

You **MUST** base your work on the material provided and should not introduce any supplementary material.

You should use your own words where possible.

**Task (a)**

**A national conference aimed at students aged 16–19 is being held to raise awareness of the issues surrounding global warming and to persuade the government to raise these issues to the top of the political agenda. As an AS student with an interest in the environment, you have been invited to deliver a presentation which explores alternative sources of energy and encourages young people to become involved in the debate. Your presentation should:**

- **provide background information on climate change**
- **provide information on the problems linked to CO<sub>2</sub> emissions and the use of fossil fuels**
- **explore alternative sources of energy**
- **encourage young people to become actively involved in the debate.**

**Your task is to provide the text for this presentation.**

**Your text should be at least 400 words long.**

**Task (b)**

**Explain and comment on the language choices you have made in Task (a) in order to reshape the source materials to meet the requirements of a presentation for a national conference aimed at students aged 16–19.**
