

GCE English Literature Coursework Consultancy Service

Our consultants are experienced, senior assessors who can provide further guidance on GCE English Literature coursework including:

- The requirements of the AS and A2 units
- Choice and combinations of texts
- Task setting.

Please think carefully about the texts and tasks you are planning to set before submitting your ideas to OCR. If you would like feedback on your proposals for the AS English Literature coursework unit (F662), please submit your ideas for both task 1 and task 2 so that the consultant can see the potential full folder content.

Additional Support

Coursework consultants can offer advice and feedback on coursework proposals, but it is not a requirement to get texts and tasks 'approved'. Consultants are not able to comment on live work. Additional support for the new specification, including ideas for text combinations and task titles can also be found in the coursework guidance documents on OCR's website.

Procedure for submitting coursework enquiries

To submit an enquiry to the consultancy service please use the online form available at <http://www.ocr.org.uk/consultancyservice>. We aim to respond to enquiries within 10 working days, although we are often able to reply sooner. We are not able to receive enquiries by post or telephone.
