CHANGES TO THE LAYOUT OF GCE GENERAL STUDIES EXAMINATION PAPER

From January 2013 onwards, there will be a change to the layout of the examination paper for GCE General Studies F732, 'The Scientific Domain'.

The existing format consists of a separate examination paper and eight-sided answer booklet. From January 2013, this will be replaced with a combined question paper/answer booklet.

This is a change to the layout of the examination paper only. It will have no impact on the content of the assessment material. An amended specimen question paper (June 2011) showing the new layout is available on the [qualification page of the OCR website](#).
