Health and Social Care
Unit 4: Social Aspects and Lifestyle Choices

Thursday 27 May 2010 – Afternoon Time: 1 hour 30 minutes	Paper Reference 6941/01
--	-----------------------------------

You do not need any other materials.

Total Marks

Instructions

- Use **black** ink or ball-point pen.
- **Fill in the boxes** at the top of this page with your name, centre number and candidate number.
- Answer **all** questions.
- Answer the questions in the spaces provided
– *there may be more space than you need.*

Information

- The total mark for this paper is 90.
- The marks for **each** question are shown in brackets
– *use this as a guide as to how much time to spend on each question.*
- Questions labelled with an **asterisk** (*) are ones where the quality of your written communication will be assessed
– *you should take particular care on these questions with your spelling, punctuation and grammar, as well as the clarity of expression.*

Advice

- Read each question carefully before you start to answer it.
- Keep an eye on the time.
- Try to answer every question.
- Check your answers if you have time at the end.

(Total for Question 1 = 30 marks)

2 The Seven Seasons is a care home for older people. Care workers are assigned to individual service users. They familiarise themselves with the service users' personal history and their interests; and spend time listening to and reminiscing with them. Staff promote the independence of service users in areas such as feeding and dressing.

(a) Describe the type of approach to care used at The Seven Seasons.

(2)

A series of horizontal dotted lines provided for writing an answer to the question above.

Handwriting practice area with 15 horizontal dotted lines.

(Total for Question 2 = 30 marks)

- 3 The proportion of people in England and Wales who use illegal drugs is recorded by regular surveys.

The table below shows data from surveys carried out by The British Crime Survey in 1998 and in 2006, for adults aged 16–59 years, and for younger adults aged 16–24 years.

Proportion (%) of people in reporting to having used drugs in the last year (British Crime Survey)				
Drug	16–24 year olds		16–59 year olds	
	1998	2006	1998	2006
Amphetamines	9.9	3.5	3.0	1.3
Cannabis	28.2	20.9	10.3	8.2
Cocaine	3.1	6.0	1.2	2.6
Crack	0.3	0.4	0.1	0.2
Ecstasy	5.1	4.8	1.5	1.8
Magic Mushrooms	3.9	1.7	0.9	0.6

Home Office Statistical Bulletin (2007)

- (a) (i) Using the information given, identify which drug taken by 16–24 year olds has seen the highest increase in use.

(1)

.....

.....

- (ii) Using the information given, identify which drug taken by 16–59 year olds has seen the greatest decrease in use.

(1)

.....

.....

(b) Describe how peer pressure may influence 16–24 year olds to try cannabis.

(4)

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

*(c) Voluntary youth organisations work in communities raising awareness of the damages of drug misuse.

Discuss how different methods of support might help an individual recover from a drug addiction.
