WEBSITE DESIGN

5186/A

Optional Module: Practical Assessment

2003

45 minutes

No Additional Materials are required.

READ THESE INSTRUCTIONS FIRST

Make sure that your name, Centre number and candidate number are shown on each printout that you are asked to produce.

Carry out **every** instruction in each task.

Tasks are numbered on the left hand side of the page, so that you can see what to do, step by step. On the right hand side of the page for each task you will find a box which you can tick (✓) when you have completed the task; this checklist will help you to track your progress through the assessment.

Before each printout you should proof-read the document to make sure that you have followed all instructions correctly.

At the end of the assessment put **all** your printouts into the Assessment Record Folder.

This document consists of **3** printed pages.

You work for an international company called Hothouse Design. You are going to design a new website for the company's Design Training services.

- 1 Using appropriate software, prepare a website which has 3 pages. All pages must have a pale yellow background colour. 1.1.1
1.1.4

Page 1 is the homepage. On this page:

- 2 Enter the heading **Hothouse Design Training** as style H1 (heading 1) in dark blue. Place the heading in the centre at the top of the page. 1.1.2
- 3 Insert the image **HDLOGO.GIF** near the top of the page in the centre under the heading. 1.2.1
- 4 Below the image enter the text **Trade Show 2003** as style H2 (heading 2) in black. Centre this text. 1.1.2
- 5 Below this heading enter the text **Products** and make this a link to the second page. 2.1.2
- 6 Enter the text **Location** and make this a link to the third page. 2.1.2
- 7 Enter the text **Last updated by** and then your name and today's date as style p (paragraph style) near the bottom of the page. Colour this blue. 1.1.3
1.1.4
- 8 Save this page as an HTML file. 3.1.1

On the second page:

- 9 Enter the heading **Hothouse Design Training** as style H1 (heading 1) in dark blue. Place the heading in the centre at the top of the page. Set an anchor called **TOP** before this heading. 1.1.2
- 10 Below the main heading enter the text **Products** as style H2 (heading 2) and colour it black. 1.1.2
- 11 Enter the following text as style p (paragraph style) and colour it blue: 1.1.3
1.1.4

We offer training in these new products:

Web Design
Graphics
Multimedia
Interior Design

Click on the company logo to take you back to the homepage.

- 12 Insert the image **HDLOGO.GIF** below the text on the left side of the page. Reduce the image to approximately $\frac{1}{4}$ of its original size and make it link back to the first page. 2.1.2
- 13 Below the image enter the text **Location** and make this a link to the third page. 2.1.2
- 14 Enter the text **top** below *Location* and make this a link back to the top of the page (to the anchor **TOP**). 2.1.1
- 15 Save this page as an HTML file. 3.1.1

On the third page:

- 16 Enter the heading **Hothouse Design Training** as style H1 (heading 1) in blue. Place the heading in the centre at the top of the page. 1.1.2
- 17 Below this heading enter the text **Location** as style H2 (heading 2) in black. 1.1.2
- 18 Enter the text **How to find us:** as style p (paragraph style) and colour it blue. 1.1.3
1.1.4
- 19 Below this text insert the image **TRAVEL.GIF** in the centre of the page. 1.2.1
- 20 Below this image enter the text
Click on the company logo to take you back to the homepage.
as style p (paragraph style) and colour it blue. 1.1.3
- 21 On the left of the page enter the text **Hothouse Website**. Make this a link to the main Hothouse website.
The URL is <http://www.hothouse-design.co.uk> 2.1.3
- 22 Insert the image **HDLOGO.GIF** near the bottom right of the page. Reduce the image to approximately $\frac{1}{4}$ of its original size and make it a link to the first page. 1.2.1
- 23 Save this page as an HTML file. 3.1.1

Finally:

- 24 Print all three pages so that the layout can be seen. 3.1.1
- 25 Print all three pages in HTML format. 3.1.1

Optional Module: Practical Assessment

2003

45 minutes

No Additional Materials are required.

READ THESE INSTRUCTIONS FIRST

Make sure that your name, Centre number and candidate number are shown on each printout that you are asked to produce.

Carry out **every** instruction in each task.

Tasks are numbered on the left hand side of the page, so that you can see what to do, step by step. On the right hand side of the page for each task you will find a box which you can tick (✓) when you have completed the task; this checklist will help you to track your progress through the assessment.

Before each printout you should proof-read the document to make sure that you have followed all instructions correctly.

At the end of the assessment put **all** your printouts into the Assessment Record Folder.

This document consists of **3** printed pages.

You work for an international company called Hothouse Design. You are going to design a new website for their Programming Language Training company.

- | | | | |
|---|--|-------------------------------------|------------------------------|
| 1 | Using appropriate software, prepare a website that contains 3 pages. All pages must have a pale green background colour. | <input checked="" type="checkbox"/> | 1.1.1
1.1.4 |
|---|--|-------------------------------------|------------------------------|
- Page 1 is the homepage. On this page:*
- | | | | |
|---|---|--------------------------|------------------------------|
| 2 | Enter the heading Hothouse Design Programming Training as style H1 (heading 1) in dark blue. Place the heading in the centre at the top of the page. | <input type="checkbox"/> | 1.1.2 |
| 3 | Under the heading insert the image HDLOGO.GIF in the centre of the page. | <input type="checkbox"/> | 1.2.1 |
| 4 | Below the image enter the text Language Training for Programmers as style H2 (heading 2) in black. Centre the text. | <input type="checkbox"/> | 1.1.2 |
| 5 | Enter the text Languages and make this a link to the second page. | <input type="checkbox"/> | 2.1.2 |
| 6 | Enter the text Location and make this a link to the third page. | <input type="checkbox"/> | 2.1.2 |
| 7 | Enter the text Last updated by and then your name and today's date as style p (paragraph style) near the bottom of the page. Colour this blue. | <input type="checkbox"/> | 1.1.3
1.1.4 |
| 8 | Save this page as an HTML file. | <input type="checkbox"/> | 3.1.1 |

On the second page:

- | | | | |
|----|--|--------------------------|------------------------------|
| 9 | Enter the heading Hothouse Design Programming Training as style H1 (heading 1) in dark blue. Place the heading in the centre at the top of the page. Set an anchor called TOP before this heading. | <input type="checkbox"/> | 1.1.2 |
| 10 | Below the heading enter the text Languages as style H2 (heading 2) and colour it black. | <input type="checkbox"/> | 1.1.2 |
| 11 | Enter this text as style p (paragraph style) and colour it blue: | <input type="checkbox"/> | 1.1.3
1.1.4 |

We offer training in these programming languages:

C++
Flash Animation
HTML
Javascript
Visual Basic

Click on the company logo to take you back to the homepage

- 12 Insert the image **HDLOGO.GIF** below the text on the left side of the page. Reduce the image to approximately $\frac{1}{4}$ of its original size and make it link back to the first page. 2.1.2
- 13 Below the image enter the text **Location** and make this a link to the third page. 2.1.2
- 14 Enter the text **Top** below *Location* and make this a link back to the top of this page (to the anchor **TOP**). 2.1.1
- 15 Save this page as an HTML file. 3.1.1

On the third page:

- 16 Enter the heading **Hothouse Design Programming Training** as style H1 (heading 1) in dark blue. Place the heading in the centre at the top of the page. 1.1.2
- 17 Below this heading enter the text **Location** as style H2 (heading 2) in black. 1.1.2
- 18 Enter the text **How to find us:** as style p (paragraph style) and colour it blue. 1.1.3
1.1.4
- 19 Below this insert the image **TRAVEL.GIF** centred on the page. 1.2.1
- 20 Enter the text:
Click on the company logo to take you back to the homepage
as style p (paragraph style) and colour it blue. 1.1.3
1.1.4
- 21 Then enter the text **Hothouse Website** on the left of the page. Make this a link to the main Hothouse website.
The URL is <http://www.hothouse-design.co.uk> 2.1.3
- 22 Insert the image **HDLOGO.GIF** near the bottom right of the page. Reduce the image to approximately $\frac{1}{4}$ of its original size and make it a link to the first page. 1.2.1
- 23 Save this page as an HTML file. 3.1.1

Finally:

- 24 Print all three pages so that the layout can be seen. 3.1.1
- 25 Print all three pages in HTML format. 3.1.1
