INSTRUCTIONS TO CANDIDATES

Answer **two** questions.

INFORMATION FOR CANDIDATES

Mark allocations are shown in brackets.

Candidates will be assessed on their quality of written communication.

This is a synoptic examination paper. It requires the synthesis and integration of knowledge to demonstrate a broader and deeper understanding of the connections that exist between the various modules that make up the course of study. Where appropriate you are asked to draw upon and integrate issues relevant to global participation in physical activity.

No certificate will be awarded to a candidate detected in any unfair practice during the examination.

*Answer **two** questions.*

1. To what extent has the Olympic Games managed to retain its original ethics and values? [25]
2. Discuss the view that global competition is more about commercialism than sport. [25]
3. Discuss the issues which have forged the development of physical activity in the UK and **one** other country you have studied. [25]
