

# ADVANCED SUBSIDIARY GCE PSYCHOLOGY

The Core Studies

**G542** 

#### **OCR Supplied Materials:**

8 page Answer Booklet

Other Materials Required:

None

Friday 15 May 2009 Afternoon

**Duration:** 2 hours

#### **INSTRUCTIONS TO CANDIDATES**

- Write your name clearly in capital letters, your Centre Number and Candidate Number in the spaces provided on the Answer Booklet.
- Use black ink. Pencil may be used for graphs and diagrams only.
- · Read each question carefully and make sure that you know what you have to do before starting your answer.
- Answer all the questions in Section A, all questions in Section B and one question in Section C.
- Do not write in the bar codes.

#### **INFORMATION FOR CANDIDATES**

- The number of marks is given in brackets [ ] at the end of each question or part question.
- The total number of marks for this paper is 120.
- Quality of written communication is assessed in Sections B and C.
- Candidates should:
  - (i) ensure that text is legible and that spelling, punctuation and grammar are accurate so that meaning is clear:
  - (ii) select and use a form and style of writing appropriate to purpose and to complex subject matter;
  - (iii) organise information clearly and coherently, using specialist vocabulary where appropriate.
- This document consists of 8 pages. Any blank pages are indicated.

# Answer all questions from Section A.

# **Section A**

	From the study by Baron-Cohen, Jolliffe, Mortimore and Robertson on autism in adults:			
(a)	Identify <b>one</b> difference between the performance of the autistic adults and the Tourd Syndrome adults.	ette [2]
