- an 8 page answer book.

INSTRUCTIONS TO CANDIDATES

Answer **all** questions.

INFORMATION FOR CANDIDATES

All questions carry equal marks.

You are reminded that marking will take into account the quality of written communication used in your answers.

No certificate will be awarded to a candidate detected in any unfair practice during the examination.

Answer all questions.

1. **Outline** the main assumptions of the biological approach. [12]
2. **Describe** how the psychodynamic approach has been applied in Freud's theory of personality development. [12]
3. **Describe** how the biological approach has been applied in **either** psychosurgery **or** chemotherapy. [12]
4. **Evaluate** the strengths and weaknesses of the cognitive approach. [12]
5. **Compare and contrast** the behaviourist and psychodynamic approaches in terms of similarities and differences. [12]
