

ART AND DESIGN

Cambridge International Advanced Subsidiary and Advanced Level

Grade thresholds taken for Syllabus 9704 (Art and Design) in the October/November 2013 examination.

	maximum mark available	minimum mark required for grade:		
		A	B	E
Component 1	100	70	60	35
Component 4	100	80	70	40

The thresholds (minimum marks) for Grades C and D are normally set by dividing the mark range between the B and the E thresholds into three. For example, if the difference between the B and the E threshold is 24 marks, the C threshold is set 8 marks below the B threshold and the D threshold is set another 8 marks down. If dividing the interval by three results in a fraction of a mark, then the threshold is normally rounded down.

The thresholds for the **syllabus** are determined first by adding together the thresholds for the components taken by the candidate. A reduction may be made at the higher grades depending on the correlation of the papers. If the maximum raw marks for the components are not in the weighting/relationship specified in the syllabus, a weighting is applied to arrive at the overall thresholds. The A* threshold is calculated using the difference between A and B as a starting point.

For AS Level components, small adjustments may be made to the marks awarded for some versions of the paper in order to neutralise any differences in the difficulty of the different versions and so make sure that all candidates face an equal demand.

The maximum total mark for this syllabus is **200** for A Level and **100** for AS Level.

For this syllabus in this series the grade thresholds were as follows:

Option	Combination of components	A*	A	B	C	D	E
B	03, 04 and AS from last June	168	150	132	115	98	81
C	03, 04 and AS from last Nov.	170	152	134	116	99	82
E	01, 03, 04, 62	169	150	131	114	97	81
S SA	AS Level	76	72	63	54	45	36

Grade Thresholds are published for all Cambridge International AS/A Level and Cambridge IGCSE subjects where a corresponding mark scheme is available.
