

New A Level Art and Design: Three-Dimensional Design

H165 and H565 replacing 3803 and 7803

Information for OCR centres transferring to **new specifications for first teaching in September 2008**

This document maps the current A Level Three Dimensional Design specification to the new specification for first teaching in September 2008. It includes information on the changes, support available and an outline of the new specification. It is intended to help ease the transition for Heads of Department and Teachers involved in the teaching of Three Dimensional Design

The full specification is available online along with a short questionnaire enabling you to share your comments on the specification and help shape the materials developed to support it. For more information including answers to frequently asked questions visit www.ocr.org.uk/14-19alevels
