28 June 2005

Morning

50 minutes

Instructions to Invigilators

Before the start of the examination please ask candidates to amend their question papers as follows (Please read out this message twice to ensure understanding):
Please read the following correction to candidates at the start of the examination

Turn to page 9 and look at question 5(b).

The question should read 'Use the i.r. and n.m.r spectra to identify structural features present in **G**. Hence, suggest a structural formula for the compound.'

Any enquiry about this notice should be referred to the Information Bureau on 01223 553 998 or helpdesk@ocr.org.uk
