## **AS UNIT 1 (LIVE THEATRE PRODUCTION SEEN AND PRESCRIBED PLAY) MARK SCHEME**

**JUNE 2009 (specimen)**

### **INTRODUCTION**

This unit assesses Assessment Objectives 2, 3 and 4.

**AO2 requires that candidates “demonstrate knowledge and understanding of practical and theoretical aspects of drama and theatre using appropriate terminology”.**

**AO3 requires that candidates “interpret plays from different periods and genres”.**

**AO4 requires that candidates “make critical and evaluative judgements of live theatre”.**

Section A (Live Theatre Production Seen) assesses AO2 and AO4 with weightings of 10% and 20% respectively.

Section B (Prescribed Play) assesses AO2 and AO3 with weightings of 10% and 20% respectively.

Questions are marked for each of the two Assessment Objectives separately and then the marks added together to give a total out of 50.

The quality of written communication (QWC) is also assessed in this unit. All questions require answers written in continuous prose. Statements referring to QWC are included within the assessment criteria for each performance band. QWC will be assessed as an integral part of the judgement of the quality of a candidate’s response.
