This document consists of **2** printed pages.

### 1 Planning Session (One hour and a quarter)

- (a) You are provided with the pattern of pants or shorts, McCalls 3132, with fly front opening, side pockets, back darts, waistband and belt carriers.
- (b) Make up the pants or shorts in a fabric and length of your choice. Using the carbonised sheets to make a duplicate copy, write out a shopping list of the requirements for completing the pants or shorts, giving an alternative for fabric, width and colour.
- (c) State **four** reasons for your **first** choice of fabric.
- (d) Please state your pattern size on the shopping list. The pattern should be divided for use in the Preparation Session.
- (e) Hand in the carbon copy of the shopping list, the pattern and the question paper to the Supervisor. [8]

### 2 Preparation Session (Two hours)

- (a) Adjust the pattern in any way necessary to achieve a good fit.
- (b) Plan the layout for the pants or shorts and cut out the pieces you require, including the interfacing.
- (c) Mark the necessary fitting lines and balance marks.
- (d) Assemble the pants or shorts for a fitting, **without the waistband**.
- (e) Any remaining time may be used to prepare the waistband and carriers.

**Note:** You are to complete the preparation of the waistband and carriers (tacking/basting only) after the Preparation Session in readiness for use in the Examination Session. [8]

### 3 Examination Session (Three hours)

Make up the pants or shorts to show:

- (a) the making of the darts; [8]
- (b) the completion of the fly front including the insertion of the zip; [10]
- (c) the completion of both pockets; [12]
- (d) (i) the completion of 12 cm of the leg seams; [4]
- (ii) the completion of the crotch seam; [6]
- (iii) the completion of 30 cm of the side seams; [4]
- (e) (i) the making and insertion of the belt carriers; [6]
- (ii) the making and application of the waistband; [12]
- (f) the final finish. [2]
