

AS/A2 English Literature Coursework Consultancy Service

Our Consultants are experienced, senior assessors who can provide further guidance on GCE English Literature coursework, including:

- The requirements of the AS and A2 units
- Choice and combinations of texts
- Task setting

Please think carefully about the texts and tasks you are planning to set **before** submitting your ideas to OCR. If you would like feedback on your proposals for the new AS English Literature coursework unit (F662), please submit your ideas for both Task 1 and Task 2, so that Consultants can see the potential full folder content.

Additional support

Coursework Consultants can offer advice and feedback on coursework proposals, but it is not a requirement to get texts and tasks 'approved'. Additional support for the new specification, including ideas for text combinations and task titles, can be found in the Coursework Guidance documents.

New procedures for submitting coursework enquiries:

- Complete an electronic Coursework Consultancy Service form
- Submit the form as an email attachment to: courseworkconsultancy@ocr.org.uk with the title of the qualification (GCE English Literature) in the subject header
- A Coursework Consultant will respond within 10 working days

Please note that all enquiries should be sent via email to OCR. Coursework Consultants are not able to receive enquiries by post or telephone.
