HSC03

Answer **all** questions in the spaces provided.

1 Eric is 85 years old. His wife died recently. They had been married for 60 years. Physically, Eric is well but his hearing and his short-term memory are now very poor. His wife used to do most of the cooking and she organised their few social activities. His only child lives in Australia. Eric now spends most of his time alone.

1 (a) Identify **four** psychological life quality factors which Eric may lack.
