PEARSON

Answer ALL questions. Write your answers in the space provided.

1

Darren is 15 years of age living in social housing on a large estate in a deprived area of London. He lives with his mother and younger sister. Darren belongs to a gang.

(a) Identify **two** social groups which influence Darren's secondary socialisation. (2)

1

2

(b) Describe **two** ways primary socialisation may have affected Darren. (4)

1

2

(c) Until recently Darren had stopped going to school, preferring the company of other gang members. Some members of the gang were arrested for taking drugs.

Explain how drug-taking may affect an individual's relationship with their family.

*(d) Darren has started a close and intimate relationship with a girl from a different ethnic group. His girlfriend is putting pressure on Darren to leave the gang, but his friends want him to remain.

Discuss how this conflict could affect Darren's health and well-being.

(8)

Ruled area for writing the answer, consisting of 25 horizontal dotted lines.

*(e) Darren now realises the importance of education and has returned to school.

Discuss how Darren's return to school may have an impact on his intellectual development.

(10)

Dotted lines for writing the answer.

Question 1(e) continues on the next page.

Handwriting practice area with 25 horizontal dotted lines.

(Total for Question 1 = 30 marks)

2 Darren was involved in a gang fight on the estate and was stabbed in the leg.

(a) Being stabbed is an unpredictable event.

Identify **two** other unpredictable life events.

(2)

1

2

(b) Darren was taken to the Accident and Emergency department of the local hospital. He was reluctant to go because he felt that he would be stereotyped by the medical staff.

Describe **two** forms of stereotyping Darren may encounter from the medical staff.

(4)

1

2

(c) Explain **two** possible effects of negative stereotyping on Darren by medical staff.
