PEARSON

Answer ALL questions. Write your answers in the space provided.

1 James is a busy dentist with NHS and private patients. The next patient is four-year-old Matti who is attending with his mother Sari. Sari is a single parent who has a limited understanding of English. She entered the UK three years ago and is now a British citizen living on welfare benefits in a small flat. Matti has some decayed teeth which need filling.

(a) Explain the difference between milk (deciduous) teeth and permanent teeth.

(2)

.....

.....

.....

.....

(b) Explain how tooth decay and dietary choices are linked.

(4)

.....

.....
