General Marking Guidance

- All candidates must receive the same treatment. Examiners must mark the first candidate in exactly the same way as they mark the last.

- Mark schemes should be applied positively. Candidates must be rewarded for what they have shown they can do rather than penalised for omissions.

- Examiners should mark according to the mark scheme not according to their perception of where the grade boundaries may lie.

- There is no ceiling on achievement. All marks on the mark scheme should be used appropriately.

- All the marks on the mark scheme are designed to be awarded. Examiners should always award full marks if deserved, i.e. if the answer matches the mark scheme. Examiners should also be prepared to award zero marks if the candidate's response is not worthy of credit according to the mark scheme.

- Where some judgement is required, mark schemes will provide the principles by which marks will be awarded and exemplification may be limited.

- When examiners are in doubt regarding the application of the mark scheme to a candidate's response, the team leader must be consulted.

- Crossed out work should be marked UNLESS the candidate has replaced it with an alternative response.

17–20	Very high incidence of spontaneous discourse; impressive range of lexis and structures.

Mark	Quality of language (AO3)
0	No rewardable material.

3	Basic errors, impeding comprehension at times; pronunciation and intonation erratic.
4	Accuracy variable with some basic errors; pronunciation and intonation generally good with some lapses.
5	Good level of accuracy with occasional, usually minor, errors; good pronunciation and intonation.

1	Scant evidence of any reading and research into the chosen issue and other topics discussed; very superficial.
2-3	Little evidence of reading and research into the chosen issue and other topics discussed; obvious gaps and very little detail.
4	Adequate evidence of reading and research into the chosen issue and other topics discussed but overall lacks breadth and detail; somewhat inconsistent.
5-6	Good to very good evidence of wide reading and research into the chosen issue and other topics discussed with occasional gaps; some pertinent detail at times.
7	Excellent evidence of in-depth and very wide reading and research into the chosen issue and other topics discussed; excellent detail.

Mark	Comprehension and development (AO1)
0	No rewardable material.
1-4	Minimal comprehension; many basic question forms unknown; minimal development.
5-7	Limited comprehension; basic question forms generally known but little beyond; limited development of responses.
8-10	Adequate level of comprehension; responds appropriately to basic question forms but experiences problems with more complex question forms and structures; adequate development.
11-13	Copes with a variety or wide variety of question forms although more complex forms pose problems at times; generally good to very good development of responses.
14-16	Excellent level of comprehension; responds at a consistently high level to a wide range of complex and challenging question forms; excellent development.
