## Coursework guidance

This useful guide provides detailed information on how to manage coursework, including how to use the mark schemes, coursework administration/regulations, resources and frequently asked questions.

## Sample schemes of work and lesson plans

With their practical examples, these useful booklets for each unit provide a starting point for you to enhance and produce your own tailored materials. They have suggestions for teacher hours, teaching and homework activities and possible resources.

#### Resource list

This list has been designed to accompany teaching our AS/A Level History specifications.

### Past papers

This free resource consists of a range of past papers from recent series, including the January 2010 series, and is ideal for use in the classroom.

## Examiner's reports

These reports provide information on candidate performance to help you prepare your students for future examinations. The reports provide an understanding of the specification content, the operation of the scheme of assessment and the application of assessment criteria.

### Talking History update

This History update provides you with useful and relevant information and helps to support the OCR History community. Download your copy of *Talking History* at

www.ocr.org.uk/talkinghistory

## Endorsed publisher resources from Heinemann

These exciting materials, all endorsed by OCR and tailored to our History qualifications, include print and digital resources supporting you and your students.

# New online image based resources from the English Heritage Explorer National Monuments Record

These useful resources, mapped to our History suite of qualifications, provide selected images, supported by a teaching idea and associated worksheets, notes or whiteboard downloads.
