[AN121]
TUESDAY 31 MAY, MORNING

Time

1 hour 30 minutes, plus your additional time allowance.

Instructions to Candidates

Write your Centre Number and Candidate Number on the Answer Booklet provided.

Answer **three** questions.

Answer **one** question from Section A and **two** questions from Section B.

Information for Candidates

The total mark for this paper is 60.

Quality of written communication will be assessed in **all** questions.

Figures in brackets printed at the end of each question indicate the marks awarded to each question or part question.

Section A

Answer **one** question from this section.

Either

- 1 (a)** Describe the role of glycemic index in diabetes management. [10 marks]

- (b)** Explain why being overweight increases the risk of developing Type 2 diabetes. [10 marks]

Or

- 2 (a)** Describe how each of the following can help adults achieve good mental health:
 - self help strategies; and
 - complementary therapies. [10 marks]

- (b)** Outline some of the reasons why Northern Ireland needs a Mental Health Strategy to promote good mental health. [10 marks]

Section B

Answer any **two** questions from this section.

- 3** Examine a range of dietary and lifestyle risk factors for cardiovascular disease. [20 marks]

- 4** Explain how the following advice may help to reduce the risk of cancer:
 - increase fruit and vegetable consumption;
 - reduce total fat intake;
 - reduce salt intake; and
 - increase consumption of non-starch polysaccharides (NSP). [20 marks]

- 5** Identify the two targets set out in the Northern Ireland Physical Activity Strategy and describe some of the health benefits associated with regular physical activity. [20 marks]

THIS IS THE END OF THE QUESTION PAPER
