

Notice regarding Unit G062

For all teachers delivering Unit G062 (Structured Practical Tasks) OCR GCE AS ICT (H117)

November 2011

OCR would like to thank teachers delivering this unit for their valued work and co-operation in the assessment of the Structured Tasks.

We have received feedback that centres would appreciate more time to carry out the assessment of this unit, and we have in response moved the dispatch of the Confidential Mark Scheme from the end of March to the end of February.

We would strongly encourage centres to make final entries in good time, in order to ensure prompt receipt of the Mark Scheme.

We would like to draw centres' attention to the fact that there is a single Confidential Mark Scheme provided by OCR. Material, other than that provided by OCR, should not be used in the assessment of this unit.

We recommend that you use only the following listed endorsed support materials for the assessment of G062. All of these materials can be obtained directly from OCR.

- The Specification (OCR Website)
- The G062 Structured Tasks (OCR Website)
- The associated data files (OCR Website)
- The G062 FAQs (OCR Website)
- The Confidential Mark Scheme (February Confidential Dispatch)

In preparation for candidates taking the tasks, we also recommend

- OCR ICT for AS Dynamic Learning (Hodder)
- OCR ICT A Level Bundle Dynamic Learning (Hodder)
- OCR ICT for AS book (Hodder)
