Teacher Conducted / Externally Assessed

Please ensure that:

1. the date you have chosen to conduct the oral tests is within the timetabled dates.
2. oral forms have been photocopied and distributed to candidates. These are included in the appendices of this Handbook and should be photocopied in the quantities required.
3. you look through each candidate's form and familiarise yourself with the context for each topic or issue.
4. the recording equipment has been checked to ensure that the tests will be recorded clearly. You should make and play back a brief test recording before starting. Adjust all controls to suitable levels for clear recording of the teacher-examiner and candidate with minimum background noise. Place the recording device and/or microphone as close to the candidate as possible. If required, use an omni-directional microphone or two microphones: one for the candidate and one for the examiner.
5. when submitting tests on CDs that each oral recording is a separate track, so that examiners can skip back and forth between recordings. All CDs **MUST** be clearly labelled with candidate name, number and centre number. Please follow the convention shown 'unit number_centre number_candidate name_candidate number' e.g. '6FR01_12345_Joe Bloggs_0012'. Edexcel accepts recordings in the following formats: **.mp3** (at least 192 kbit/s), **.wav** and **.wma**.

These can be submitted on either a CD or USB memory stick. If centres record the oral assessment in a different digital format (e.g. .m4a), please convert the recording to one of the accepted formats. Please ensure that all recordings are well labelled so that the centre and candidates can be identified easily. It is advised that centres keep a copy of all submitted recordings. If an examiner requests a replacement, centres will be required to send a further copy of the relevant assessment.

6. oral assessments are recorded digitally where possible. However, if cassettes are being used, ensure that you have sufficient cassettes of adequate length for recording the tests; you should not have to change sides during the course of a test. C60s are recommended for Unit 1 and C90s for Unit 3 (2 candidates each side.) Unit 1 and Unit 3 tests **MUST** be recorded on separate cassettes.
7. a quiet room and waiting area are available for candidates. The oral examination room and the waiting area should be out of bounds to all persons except the examiner and candidates waiting for, or engaged in, the oral tests.
8. you arrange to see all the candidates before the oral tests start to explain the procedure in English.
9. late entry candidates have been added to the attendance register(s) – one per unit and per language.
10. you do not make comments on their performance to the candidates or to others, as all personal data concerning candidates is confidential.
11. you do your utmost to put candidates at their ease. Try to create an atmosphere in which candidates feel that they have had every opportunity to perform to the best of their ability.
12. mobile phones must not be brought into the examination room as even switched off they may cause interference in the recording.

Externally Conducted / Externally Assessed (Visiting Examiner)

1. Centres must have enough candidates for Unit 1 and Unit 3 combined to make up the equivalent of 10 tests. This ensures a morning or afternoon of examining for the visiting examiner. Where there is less than the equivalent of 10 tests altogether for these units, centres must nominate a teacher-examiner.
2. Visiting examiners must not examine more than 15 tests in one day. Please agree the number of tests the examiner will conduct in one day, prior to their visit.
3. Visiting Examiners will contact centres in the latter part of March to discuss convenient dates. Candidates are expected to be available for the tests on the dates agreed by the examiner and the centre.
4. Centres are requested to be as flexible as possible when arranging the dates with the visiting examiner. It will not always be possible to accommodate centres who insist on a date in May.
5. Candidates will be required to complete oral form (OR1 and/or OR3). The original forms **MUST** be sent to the visiting examiner at least three weeks before the scheduled tests. This information is vital for the examiner to be able to conduct the tests.
6. The forms can be found in the appendices of this document. Centres must photocopy these in the quantities required. Candidates must keep a copy of the completed OR3 form(s) for use during the test(s).
7. Centres must provide their own CDs/USB/memory stick/cassettes. These are returned to centres once the Enquiry About Results deadline has passed.

PLEASE NOTE THAT CASSETTES WILL NO LONGER BE ACCEPTED FOR ASSESSMENT FROM SEPTEMBER 2014 ONWARDS.

OR6 Form

An OR6 form must be completed if centres wish their candidates to be tested by an Edexcel examiner. The deadline for Edexcel to be in receipt of the OR6 form is Friday 08 February. Forms received after this date will not be processed.

You will be contacted by email when Edexcel are in receipt of your OR6 form. You will be contacted again at a later date to inform you of who your Edexcel visiting examiner will be. **You will not have the option of changing your allocated examiner.** Your allocated examiner will then contact you in the latter part of March to arrange suitable dates. Edexcel does not give out contact details for any of its examiners.

Arranging the Oral Tests

1. The visiting examiner will contact you in March to arrange a suitable date for the oral tests.
2. Centres should ensure there is a member of staff who will liaise directly with the examiner in order to deal with any queries that the centre or examiner may have with regard to the arrangement of the oral tests. Under no circumstances may candidates contact the examiner.
3. Centres must agree a schedule with the examiner, taking into account school breaks and refreshment breaks for the examiner.
4. In line with Edexcel's new Child Protection Policy*, centres must ensure a responsible adult is available to act as a chaperone for each oral examination taking place. The examiner will not be able to conduct the test if another adult is not present.
5. Centres must ensure that a quiet room and waiting area are available. The oral examination room and the waiting area must be out of bounds to all persons except the examiner, invigilator, chaperone and candidates waiting for, or engaged in, the oral tests.
6. The room provided must be large enough to accommodate three people comfortably, and where the candidate can be relatively unaware of the chaperone's presence.
7. It is recommended that oral assessments are recorded digitally where possible. However, if cassettes are being used, ensure that you have sufficient cassettes of adequate length for recording the tests; you should not have to change sides during the course of a test. C60s are recommended for Unit 1 and C90s for Unit 3 (2 candidates each side.) Unit 1 and Unit 3 tests **MUST** be recorded on separate cassettes.
8. The recording equipment should be checked to ensure that the tests will be recorded clearly.
9. The attendance registers must be handed to the examiner at the start of the session.
10. The examiner must have the opportunity to speak to all the candidates together at the beginning of each day or half-day session to explain the procedure in English.
11. Mobile phones must not be brought into the examination room as even switched off they may cause interference in the recording.

Please note that the visiting examiners have been instructed not to disclose the marks given or make comments on performance to candidates or to staff.

*** Edexcel's Safeguarding Children Policy**

Edexcel has developed a Safeguarding Children Policy to ensure that reasonable steps are taken to reduce, or prevent, the opportunities whereby harm, whether real or potential may occur to a child or vulnerable adult. It has been decided that Edexcel staff or representatives of Edexcel may never be placed in a situation whereby they are on their own in a one to one situation with a child or vulnerable adult. A situation that falls into this category are oral examinations conducted by a visiting examiner. Centres are now required to ensure a responsible adult is available to act as a chaperone for each oral examination held. This adult does not need to be a language specialist.

Visiting examiners will be advised not to conduct a test if they consider doing so will be in breach of this policy. If a visiting examiner arrives at a centre and a responsible adult is not available to sit in on the tests, the examiner has been advised by Edexcel to leave the centre. A replacement examiner will not be issued for a later date.

The Safeguarding Children Policy may be viewed at:
<http://www.edexcel.org.uk/about/policies/centrepolicies/>.

Visiting Examiner Chaperone Guidelines

Centres must adhere to the following guidelines when arranging a chaperone for the visiting examiner:

1. Chaperones must not be the language assistant who has prepared the candidates for this exam.
2. It is advisable that the chaperone does not speak the language which is being tested.
3. Chaperones must not undertake any activity that might serve as a distraction to the candidate, for example, moving around the room, turning newspaper or book pages noisily or unzipping bags.
4. Chaperones must not engage the examiner in conversation as soon as the test finishes: the examiner needs peace and quiet in order to make an assessment.
5. Chaperones must refrain from commenting on a candidate's performance when s/he has left the room or attempt to engage the examiner in a conversation about the candidate's performance.

London Centre Orals

In centres where the target language is not taught and cannot be examined, and an accessible host centre cannot be found, individual candidates can be entered to sit the exam at Edexcel's offices in London. This is only possible in the summer session. Details of procedures will be communicated to centres on receipt of the completed OR7 Form. It is essential that students sitting the oral tests at Edexcel offices are aware of the format the tests will take and what is required of them. Centres wishing to enter candidates for the London Centre orals should fill in the OR7 form and return it by **Friday 15 February 2013** to guarantee entry. FORMS RECEIVED AFTER THIS DATE WILL NOT BE ACCEPTED.

Oral window

Oral tests must be conducted within the following windows.

Winter	30 November 2012 - 06 January 2013
Summer	04 April 2013 – 15 May 2013

Host Centres

Centres sending candidates to a host centre where a teacher-examiner is conducting the oral tests must ensure that all the relevant paperwork (Oral Forms, Declaration of Issue Forms, and attendance registers) is at the host centre on the day of the examination.

Centres sending candidates to a host centre to be examined by a Visiting Examiner must ensure that Oral Forms and/or Declaration of Issue Forms are sent to the Examiner well before the oral tests are to take place.

The candidates must still be entered through their own centre, not the host centre.

Native Speakers and Individual Candidates

Centres are sometimes requested to enter candidates for languages that are not taught as part of the centre's curriculum.

Centres should not enter native speakers or individual candidates unless there is a member of staff willing to provide the necessary help and guidance for this option.

The oral tests require research and preparation by candidates and specific requirements are laid down in the Specification. All candidates should be made aware of these requirements in advance of the examination.

In centres where the language is not taught, one of the following arrangements should be made:

- A nearby centre where the language is taught should be contacted and asked to accommodate the candidates for the oral test.
- The candidate's private tutor should be asked to conduct the oral test(s). In this case the head of centre should be satisfied that the tutor:
 - may be appropriately admitted to the centre
 - is suitably qualified and experienced in the subject
 - is fully aware of the requirements of the oral test(s), including the security requirements
 - can maintain clear lines of communication with the centre as regards the practical arrangements for the oral test(s)
 - understands that Edexcel cannot offer teacher-examiners and tutors any financial remuneration.

Where there is no private tutor or nearby centre, centres may fill in the OR7 form to request a London Centre Oral exam.

Attendance Registers

1. Attendance registers, pre-printed with unit number, centre details and candidates' names in candidate number order will be issued to centres before the examinations begin.
2. Teacher-examiners are required to complete the column headed 'For Invigilator's Use' on the right hand side of the attendance register. If a candidate is present at the examination, teacher-examiners should score P; if a candidate is absent from the examination or has been withdrawn, teacher-examiners should score A, by inserting a single horizontal line through the appropriate box.
3. If a candidate is not shown on the attendance register but has been granted permission by Edexcel to sit the test, he or she is to be entered in the next available space. If all candidates are absent or have been withdrawn, the attendance register must still be sent to the address provided.
4. The teacher-examiner should sign and date the attendance register(s).

General Guidelines for Conducting Oral Tests

- Try to stimulate candidates to produce their best performance, taking them to their 'linguistic ceiling' but be careful not to press on with questions of a certain difficulty if it becomes clear that a candidate cannot cope at that level.
- Candidates' notes must be taken from them at the end of the test and kept in a secure place until Results Day.
- Your interventions (questions, brief statements, instructions, comments etc.) should always build on and develop flexibly what candidates have said. Never use a rigid, pre-determined sequence of prepared questions.
- Apart from the Unit 3 introduction, candidates should not be allowed to produce rehearsed speeches. They should be encouraged to speak independently and spontaneously. Candidates who regurgitate pre-learnt material should be deflected into a more productive mode.
- If candidates seek information or opinions from you, your reply should be minimal.
- The centre number and the name of the teacher-examiner should be announced at the beginning of the recording on each CD / cassette. The name and number of each candidate should be announced before each test along with the name of the test e.g. Unit 1 French. Ensure that the tape does not run out during the course of a test and that you do not use the pause button during the test.
- Mobile phones should not be brought into the examination room as even when switched off they may cause interference in the recording.
- Refer to the Oral Training Guide, available on the qualification pages of the Edexcel website, for detailed guidance and exemplar material.

AS Unit 1: Spoken Expression and Response

Students are free to choose any of the four general topic areas, depending on their preference and interests. Unit 1 tests will be set on each of the four topic areas. The tests will be in the form of a short stimulus text in the target language. 15 minutes before the test students will be given one of the stimuli for the topic area they have chosen. Consult the sequence stipulated in the teacher-examiner booklet as to which stimuli card each candidate will be given. **The tests must follow this sequence.**

The test should last between 8-10 minutes and should be divided equally between the two sections. If candidates complete the answers to the questions in Section A in less than four minutes, you should ensure that the discussion in Section B is extended, in order that the total test time is at least eight minutes.

Candidates may make notes, a maximum of one side of A4 paper, which they can refer to during the test. At the end of the test these notes must be taken from the candidate and kept secure until results day.

Section A

Begin by asking the four questions set by Edexcel and printed in the teacher-examiner material.

You must not **rephrase** or **expand** on these questions but they may be repeated, once.

Section B

In this section you must initiate a discussion about the general topic area chosen by the candidate. The specific topic of the stimulus may be used as a starting point for this discussion, but you must move away from this topic to more general discussion of the topic area and its linked subtopics.

You must not allow the candidate to recite large amounts of pre-learned material.

You should elicit from the candidate a range of functions, for example, narrate, explain, clarify, hypothesise, justify, speculate, describe.

Timing of the AS Unit 1 Test

The AS Unit 1 test should last between 8 and 10 minutes. Timing begins when the examiners asks the first question.

The test time should be divided equally between Sections A and B. However, if students complete the answers to the questions in Section A in less than four minutes, the teacher/examiner should ensure that the discussion in Section B is extended, in order that the **total test time is at least eight minutes**. Excess candidate material will not be assessed.

Choice of Unit 1 General Topic Area

Students must consider their free choice of general topic area for the AS level Unit 1 test very carefully. They should be advised to choose a general topic area which they have prepared and which they are ready to discuss in detail. It is anticipated that students from the same centre will choose to prepare different general topic areas, in order to reflect the range of their individual interests. Some overlap of topic choice is however expected.

Students may use this assessment as an opportunity to compare and contrast different topics both from a UK perspective and from knowledge of a target language speaking country or countries. Students must inform the teacher-examiner which general topic area they have chosen before the test via an Oral Topic Form, one copy of which must be given to the teacher-examiner (or visiting examiner, if applicable) in advance of the examination.

Assessment of Unit 1

All oral tests must be sent to an Edexcel examiner to be assessed.

Candidates' overall performance will be marked out of 50, using the following mark grids:

Mark	Quality of language (Accuracy) (AO3)
0	No rewardable language.
1	Isolated examples of correct language; pronunciation and intonation often impede communication.
2-3	Many basic errors, impeding communication at times; pronunciation and intonation erratic, not always comprehensible.
4-5	Accuracy variable but errors rarely impede communication; pronunciation and intonation inconsistent but comprehensible.
6-7	Generally accurate but some errors in more complex language; pronunciation and intonation generally good.
8	Highly accurate with perhaps some very minor errors; pronunciation and intonation authentic.

Mark	Quality of language (Range of lexis) (AO3)

Further Unit 1 Marking Guidance

Tests that are too short

A test is too short if it is less than 7 minutes 30 seconds. Candidates are allowed a 30 second tolerance.

The timing of the test begins from the start of the utterance of the first question.

Drop down one mark band to the corresponding mark across the following assessment grids:

- 'Quality of Language – Accuracy'
- 'Quality of Language - Range of lexis'
- 'Response'

e.g.

4-5	Accuracy variable but errors rarely impede communication; pronunciation and intonation inconsistent but comprehensible.
6-7	Generally accurate but some errors in more complex language; pronunciation and intonation generally good.
8	Highly accurate with perhaps some very minor errors; pronunciation and intonation authentic.

If a candidate would have scored 8, they should be given 6, if they would have scored 7, they should be given 5, if they would have scored 6, they should be given 4. This will not affect the other assessment criteria 'Understanding – Stimulus specific' or 'Understanding – General Topic Area'.

Test that are too long

Once the 10 minute mark has passed, the examiner stops listening at the end of the next sentence.

Tests that do not move away from initial stimulus sub topic

Candidates are limited in the amount of marks they can score. Please see the grids.

- 'Quality of Language - Range of lexis' – limited to a maximum of 3 marks
- 'Response' – limited to a maximum of 8 marks
- 'Understanding - General topic area' – cannot score more than 0

Tests that are pre-learnt

Candidates are limited in the amount of marks they can score.

Candidates are limited to a maximum of 8 marks for 'Response'.

Please note:

Understanding – Stimulus specific should only be used to mark **Section A** of the oral test.

Understanding – General topic area should only be used to mark **Section B** of the oral test

When marking the oral exam, examiners are advised to immediately allocate a mark for Section A, prior to allocating marks for the rest of the test (Section B).

If a score of '0' is awarded for any of the assessment grids, the oral recording will be referred to a senior examiner.

A2 Unit 3: Understanding & Spoken Response

In this test, students will be rewarded for demonstrating the ability to understand spoken target language and to use it to explain, to clarify, to justify a point of view, to express opinions and to defend an argument. They will have to demonstrate knowledge of the issue they have chosen to discuss and will need to show evidence of wide-ranging reading and research into this issue.

Students will introduce the issue they have chosen for up to one minute, after which the teacher-examiner will facilitate debate on this issue for up to a further four minutes.

After debate on this first chosen issue, the teacher-examiner must introduce at least **two further issues** for discussion. Students must not know in advance of the test which further issues the teacher-examiner will choose for discussion: these must be unpredictable elements of the test.

It is in the students' interest for teacher-examiners to cover a range of issues for discussion, in order that students can demonstrate both the breadth and depth of their knowledge and linguistic competence.

As students will be rewarded for the ability to understand and respond to the spoken language, it is important that the teacher-examiner's questions are sufficiently challenging to allow the candidate to access the full range of marks for *Comprehension and Development*. If the teacher-examiner's questions are not sufficiently complex and challenging, students' opportunities to score high marks in this area of assessment will be constrained.

Timing of the Unit 3 test

The A2 Unit 3 test should last between 11 and 13 minutes.

The initial issue (chosen by students before the test) should be debated for up to five minutes in total.

Students should introduce the issue for about one minute before debate begins, and the teacher-examiner should interrupt students if this introduction exceeds about one minute. This introduction is followed by up to four minutes debate on this issue. The rest of the test (six to eight minutes) is for discussion of at least two further issues, chosen by the teacher-examiner. Students will not know in advance of the test which issues the teacher-examiner will introduce for discussion. This time does not have to be divided precisely between these further issues, but care should be taken to ensure that students have the opportunity to discuss at least two further issues in detail. Excess material will not be assessed.

Teacher-examiners must ensure that the unpredictable issues in this unit are linked to the general topic areas described in the specification. All students at A2 will be expected to have covered most of the seven general topic areas to some degree, and students who are able to demonstrate good knowledge of any of these areas should be rewarded accordingly. Teacher-examiners should not require the candidate to produce any very detailed or specialised knowledge in the follow-on unpredictable discussions.

Choice of Unit 3 Issue

Students should choose an issue which they are prepared to research in depth and which is suitable for debate. Students must take a definite stance on the issue and maintain this during their assessment. There is no requirement in the A2 Unit 3 oral test for students to demonstrate knowledge of countries

and contexts in which the target language is spoken, though of course they are free to do so.

Students have a completely free choice of the issue they wish to debate; it does not have to relate to any of the AS or A2 general topic areas.

As students have to indicate a stance on the issue they have chosen, they would be well advised to consider carefully the way in which the issue for discussion is phrased. It is often useful to use a statement beginning 'I think that ...' or 'In my opinion ...' in order that the stance taken is clear.

Examples of suitable issues, making the stance clear, are 'I think that university education should be free to all students', or 'In my opinion, the ban on smoking in public places is wrong'. Please note that these are given only as an indication of the sort of possible issues and stances that students might consider.

Students must complete an Oral Chosen Issue form in advance of the test, on which they must write a brief statement about the chosen issue. One copy of this form must be given to the teacher-examiner before the test. Students must take a copy of this form into the examination and may refer to this at any point during the test. One copy of the Oral Chosen Issue form must be sent, with the recording, to the examiner.

Assessment of Unit 3

All oral tests are externally assessed by an Edexcel examiner.

Candidates' overall performance will be marked out of 50, using the following mark grids:

Mark	Response (A01)
0	No rewardable material.
1-4	Minimal incidence of spontaneous discourse; very limited range of structures; no use of abstract language.
5-8	Limited incidence of spontaneous discourse; limited range of lexis and structures; very little evidence of abstract language.
9-12	Satisfactory incidence of spontaneous discourse; range of lexis and structures adequate with some ability to handle language of abstract concepts.
13-16	Frequent examples of spontaneous discourse; good range of lexis and structures; good use of abstract concepts.
17-20	Very high incidence of spontaneous discourse; impressive range of lexis and structures.

Mark	Quality of Language (A03)
0	No rewardable material.
1-2	Very flawed language, often impeding comprehension; pronunciation and intonation very inauthentic.
3	Basic errors, impeding comprehension at times; pronunciation and intonation erratic.
4	Accuracy variable with some basic errors; pronunciation and intonation generally good with some lapses.
5	Good level of accuracy with occasional, usually minor, errors; good pronunciation and intonation.
6-7	Highly accurate; excellent pronunciation and intonation.

Mark	Reading and research (AO2)
0	No rewardable material.
1	Scant evidence of any reading and research into the chosen issue and other topics discussed; very superficial.
2-3	Little evidence of reading and research into the chosen issue and other topics discussed; obvious gaps and very little detail.
4	Adequate evidence of reading and research into the chosen issue and other topics discussed but overall lacks breadth and detail; somewhat inconsistent.
5-6	Good to very good evidence of wide reading and research into the chosen issue and other topics discussed with occasional gaps; some pertinent detail at times.
7	Excellent evidence of in-depth and very wide reading and research into the chosen issue and other topics discussed; excellent detail.

Mark	Comprehension and development (AO1)
0	No rewardable material.
1-4	Minimal comprehension; many basic question forms unknown; minimal development.
5-7	Limited comprehension; basic question forms generally known but little beyond; limited development of resources.
8-10	Adequate level of comprehension; responds appropriately to basic question forms but experiences problems with more complex question forms and structures; adequate development.
11-13	Copes with a variety or wide variety of question forms although more complex forms pose problems at times; generally good to very good development of responses.
14-16	Excellent level of comprehension; responds at a consistently high level to a wide range of complex and challenging question forms; excellent development.

Further Unit 3 Marking Guidance

Tests that are too short

A test is too short if it is less than 10 minutes 30 seconds. Candidates are allowed a 30 second tolerance.

The timing of the test begins the moment the candidate starts the presentation.

Drop down one mark band to the corresponding mark across the following assessment grids:

- 'Response'
- 'Comprehension and Development'

e.g.

5-8	Limited incidence of spontaneous discourse; limited range of lexis and structures; very little evidence of abstract language.
9-12	Satisfactory incidence of spontaneous discourse; range of lexis and structures adequate with some ability to handle language of abstract concepts.
13-16	Frequent examples of spontaneous discourse; good range of lexis and structures; good use of abstract concepts.

If a candidate would have scored 12, they should be given 8, if they would have scored 9, they should be given 5. This adjustment should not be applied to 'Quality of language' or 'Reading and research'.

Tests that are too long

Once the 13 minute mark has passed, the examiner stops listening at the end of the next sentence.

Tests that do not have a debatable or defensible issue

e.g. where the candidate does not present or defend a definite stance, or the teacher-examiner fails to give the candidate an opportunity to justify their opinions.

- Candidates will be limited to scoring a maximum of 4 for 'Reading and Research'.
- This may affect the marks given for 'Comprehension and Development'.

Tests that do not move away from initial issue/topic

e.g. further unpredictable areas of discussion are not covered and/or a monologue.

- Candidates are limited in the amount of marks they can score. Please see the grids.

Response	
Only one unpredictable area discussed	No more than 12 marks
No unpredictable areas discussed	No more than 8 marks

Reading and research	
Only one unpredictable area discussed	No more than 4 marks
No unpredictable areas discussed	No more than 3 marks

Comprehension and development	
Only one unpredictable area discussed	No more than 10 marks
No unpredictable areas discussed	No more than 7 marks

Tests that are pre-learnt

Pre-learnt is defined as a performance which is largely recited and may demonstrate very little spontaneity and impaired intonation. Candidates are limited in the amount of marks they can score. Please see 'Response' grid.

- 'Response' - cannot score more than 8, irrespective of use of lexis/structure/abstract language.

Pre-learnt tests may also affect the mark given for 'Comprehension and Development' if it does not permit a natural and logical interaction.

If a score of '0' is awarded for any of the assessment grids, the recording will be referred to a Senior Examiner.

After conducting the oral tests

1. Check that all candidates have been recorded. It is advisable to re-run the closing moments of each recording before each candidate leaves the room in order to verify the recording. Any candidates who have not been recorded must re-sit the examination immediately. If candidates cannot be heard, no marks can be awarded. For Unit 1 candidates must re-sit the examination using a different stimulus card.
2. Check that all CDs/USB/memory stick/cassettes have been clearly labelled with:
 - the language and unit code
 - the number of the centre
 - the names and numbers of the candidates in the order in which they have been recorded
 - the name of the teacher-examiner

Tape labels are included in the appendices of this Handbook. Centres must photocopy these in the quantities required.

3. Send the CDs/USB/memory stick/cassettes, oral form and the top two copies of the attendance register to the designated Edexcel examiner (the address label is on the register). Retain the bottom copy of the attendance register.
4. If the attendance register has not arrived by the time the oral tests have been completed, centres are advised to lock up all oral materials securely until it is received.

Feedback Procedures

The oral forms (OR1 and OR3) have been designed to allow for comment on each candidate's performance. Unfortunately, we cannot provide any further detailed feedback on candidate and centre performance. Centres are advised to consult the Examiners' Report which is published on the Edexcel website. Further training is provided by the extensive range of courses run by the Training from Edexcel team. Details of this can be found on the Edexcel website.

Oral forms and recordings will be held at Edexcel's Processing Centre. Before the deadline for Enquiries about Results, examiner-completed oral forms (OR1/OR3) will be available for a fee via the Access to Scripts service. Forms and recordings will be returned to centres free of charge after the deadline for Enquiries has expired.

Please check the Information Manual (sent to all Examinations Officers) for information regarding dates and fees.

Notes

The Visiting Examiner option is only available for GCE French (9FR01), GCE German (9GN01) and GCE Spanish (9SP01). Visiting Examiners are not offered for any other GCE MFLs, GCSE MFLs or overseas centres.

The supplementary fee for a Visiting Examiner is £16.70 per candidate per unit.

Actual or estimated entries are not sufficient for guaranteeing a visiting examiner. Only centres that complete an OR6 form will be eligible. However, please note that this does not constitute an entry form and entries will need to be made in the normal way.

If upon receipt of actual entries the number of candidates entered is not equal to at least 10 tests the offer of a visiting examiner will be withdrawn.

Upon receipt of your OR6 Form you will receive an email from Edexcel confirming the outcome of your application. If you are successful you will be notified at a later date of the name of your visiting examiner.

Your visiting examiner will then contact you in March to discuss suitable dates for the visit.

If you have not heard from your Visiting Examiner by 29 March 2013 please send an email to MFLvisitingdeployment@pearson.com clearly stating your centre name and number.

In accordance with Edexcel's Safeguarding Children Policy, it is the centre's duty to provide a responsible adult to chaperone the visiting examiner for the duration of the oral examination. If a responsible adult is not available, the oral examination cannot take place. Please refer to the Edexcel website for access to the full Safeguarding Children Policy.
