Please complete one form for each submission and send to the Moderator along with the coursework and coursework cover sheets for the candidates in the sample. If some candidates are retaking the unit and therefore worked on a different project please complete a separate form for their work. Advise candidates that the information below is generic and need not be included in candidate commentaries.

1. What aspect of your community is your piece based on?
2. Location of performance
3. Brief description of performance
4. Summary of sources
5. Performance style and/or genre and related theory taught
6. Overview of outcome
