

## **GCE Physical Education - Exemplar Material**

**6PE02**

### **Task 2.4 – Performance Analysis (football)**

#### **Commentary**

This was a very good example of all five tasks with depth, comment and factual detail. The marks lost came from no action plan in the analysis of task 2.4.5 and a lack of depth on training and candidate standards to task 2.4.5.

This piece of work was submitted in 2010 and is of extremely high quality and the candidate has gone into a lot of depth and shown great understanding. However, from summer 2011 we produced guidance about submitting PowerPoint presentations. This candidate would have been expected to have transferred the content of each slide onto a word document, and hence produced the work in continuous prose.

**Mark – 28**
