

**MARK SCHEME for the May/June 2011 question paper  
for the guidance of teachers**

**8684 PORTUGUESE LANGUAGE**

**8684/02**

Paper 2 (Reading and Writing), maximum raw mark 70

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

- Cambridge will not enter into discussions or correspondence in connection with these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2011 question papers for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

**Quality of Language: Accuracy** (Criteria to be used for assessing the 5 marks for Quality of language in Questions 3, 4 and 5) [5]

<b>5 Very good</b> Consistently accurate. Only very few errors of minor significance. Accurate use of more complex structures (verb form, tenses, prepositions, word order).
<b>4 Good</b> Higher incidence of error than above, but clearly has a sound grasp of the grammatical elements in spite of lapses. Some capacity to use accurately more complex structures.
<b>3 Sound</b> Fair level of accuracy. Common tenses and regular verbs mostly correctly formed. Some problems in forming correct agreement of adjectives. Difficulty with irregular verbs, use of prepositions.
<b>2 Below average</b> Persistent errors in tense and verb forms. Prepositions frequently incorrect. Recurrent errors in agreement of adjectives.
<b>0-1 Poor</b> Little or no evidence of grammatical awareness. Most constructions incomplete or incorrect. Consistent and repeated errors.

**Note re questions 3 and 4:** The 5 marks available for the quality of language are awarded globally for the whole performance on each set of answers.

A concise answer, containing all mark-bearing components for content is scored on the full range of marks for language, i.e. length does not determine the Quality of Language mark.

An individual answer scoring 0 for content cannot contribute to the overall Quality of Language mark. This means that the total mark out of 5 available on the whole set of answers is reduced on the following scale:

- Answer(s) worth 2 or 3 scoring 0 for content: reduce final assessment by 1
- Answer(s) worth 4 or 5 scoring 0 for content: reduce final assessment by 2
- Answer(s) worth 6 or 7 scoring 0 for content: reduce final assessment by 3
- Answer(s) worth 8 or 9 scoring 0 for content: reduce final assessment by 4

**Note:** A minimum of 1 mark for Quality of Language should be awarded if there are any content marks at all (i.e. 0 language marks only if 0 content marks).

5 Rubric: Responda às seguintes questões em português.

(a) Baseando-se nos dois textos, escreva um resumo do que levou os dois jovens ao êxito nos estudos. Escreva entre 90 e 110 palavras. [10]

(b) Na sua opinião, qual dos dois iria mais longe se vivesse noutra país? Escreva entre 30 e 50 palavras. [5]

**Length of response**

- Examiners make a rough estimate of the length by a quick calculation of the number of words on a line.
- If the piece is clearly too long, calculate the length more precisely.
- Then put a line through that part of the summary which exceeds 120 words (in part a) and 60 words (in part b).
- Marks will be totalled at the bottom in the following sequence:

Out of 10 for points scored in summary

Out of 5 for personal response

Out of 5 for language

Total ringed out of 20

**Content marks: Summary (a)**

[10]

The summary could include the following points. Award 1 mark for each point covered up to a maximum of 10. Allow an imbalance, e.g. 7 points from one text and 3 from the other.

**Content marks: Response to the passage (b)**

This should be marked as a mini-essay according to the variety and interest of the opinions and views expressed, the candidate's response to the original text stimulus and their ability to express a personal point of view.

<b>5</b>	<b>Very good</b> Varied and interesting ideas, showing an element of flair and imagination, a capacity to express a personal point of view.
<b>4</b>	<b>Good</b> Not the flair and imagination of the best candidates, but work still shows an ability to express a range of ideas, maintain interest and respond to the issues raised.
<b>3</b>	<b>Sound</b> A fair level of interest and ideas. May concentrate on a single issue, but there is still a response to ideas in the text.
<b>2</b>	<b>Below average</b> Limited range of ideas; rather humdrum. May disregard the element of response to the text, and write a largely unrelated free-composition.
<b>0-1</b>	<b>Poor</b> Few ideas to offer on the theme. Banal and pedestrian. No element of personal response to the text. Repeated error.
