

NOTICE TO CENTRES

FAO: Heads of Psychology

Date: September 2011

Subject: GCE Psychology Units G543 and G544

CHANGE OF EXAMINATION PAPER FORMAT FROM JANUARY 2012

The examination paper for GCE Psychology unit G543 will be in the form of an answer booklet and insert (question booklet) from January 2012.

Candidates will write their answers in the answer booklet on the lines provided. The question number should be written in the margin.

If a candidate uses all the space in the answer booklet and therefore needs additional paper, it is acceptable to use supplementary answer sheets. The candidate name, candidate number and centre number should be clearly written on the supplementary answer sheets, answers clearly identified with the question number, and the sheets securely attached to the candidate's answer booklet.

The examination paper for GCE Psychology unit G544 has also been updated. The two section B questions will now be listed on a single page before the question and answer space. This will provide candidates with the opportunity to read both questions and decide which one to answer.

Versions of the June 2011 examination papers have been made available in the new format on Interchange (OCR's secure website for teachers and Exams Officers). Teachers may like to show these versions to candidates or use them for mock examinations in order to familiarise candidates with the new format.

Please remind candidates to check that they have answered the appropriate number of questions.
