

## **NOTICE TO CENTRES**

FAO: Head of Psychology

Date: December 2006

Subject: Psychology Research report (unit 2543)

Please note that it is recommended that sources for the assignment are published within approximately two years of the examination and that they are less than two pages of tabloid newspapers or three pages of A4 print out from the INTERNET in length.

Please note that, candidates must not investigate the same hypotheses and variables, within a class set, in the same way.

Please note that the word limits of 1000 for the assignment and 1400 for the practical project are maxima and must not be exceeded. The word limit for the practical project does not include references appendices and tables. Candidates are required to state the number of words used on the front of the practical project.

Any enquiry about this notice should be referred to the OCR Information Bureau, (01223 553998), OCR, 1 Hill Road, Cambridge, CB1 2EU.
