Around 85,000 motor vehicles enter our city daily.

Please use official car parks or park in the outskirts and use our regular bus services. This will keep our streets much less congested and a lot safer.

Careless parking – even for just a few minutes – can be dangerous or bring traffic to a halt.

Check the lines along the edge of the road:

Double yellow lines

mean no parking at any time.

Don't drive or stop in a **bus lane***.

Taxis and cyclists are usually allowed to use these.

Single yellow lines

mean you can't park during the times shown on the signs.

You may stop to let passengers in or out of the vehicle and to load and unload unless indicated otherwise.

Don't drive or park during stated times in a **cycle lane*** that is marked by a solid white line.
