INSTRUCTIONS AND GUIDANCE FOR TEACHERS AND CANDIDATES TAKING EXTERNALLY ASSESSED ASSIGNMENTS

The externally assessed assignment

The assignment must be taken during the two-week assignment period. It may be taken as one 6 hour session or in up to four 1½ hour sessions. Each session must be a multiple of 1½ hours.

Preparing for the assignment

Candidates will sit the assignment under examination conditions. The preparatory folder, which must contain only notes written by the candidate and material collected from the organisations studied, must be collected by the teacher **before** the two-week assignment period begins. The folder will be given out at the beginning of each controlled conditions session and be collected in with the scripts at the end of each session and kept securely by the teacher between sessions. Nothing may be added to the folder during the two-week assignment period and no other material may be taken into the examination session(s).

Writing the assignment under controlled conditions

The assignment consists of four tasks, each designed to be completed in 1½ hours. Each task is to be written in a new answer book. At the end of each 1½ hour session, the answer book containing one completed task will be collected and kept securely by the teacher until the end of the final session. No alterations or additions may be made to candidates' answers to each task once the session has ended.

At the end of the final (fourth) session, the four answer books for each candidate must be fastened together and sent to the designated examiner.

Controlled conditions sessions may be in any multiple of 1½ hours and must be completed within the two-week assignment period. Examples of some acceptable time allocations are shown below:
