

Tell us how we can improve your stay

Every stay in this Hotel should be memorable for all the right reasons. That's why, my staff and I will be doing our utmost to ensure every aspect of your stay lives up to our high standards.

Should you feel that any member of staff makes you feel especially welcome, then please let me know that person's name. Equally, if things don't go to plan, or if anything in your room needs attention, please let us know. If you have any other comments or suggestions, I would appreciate if you could take a few moments to note them down on the reverse of this card and return it to reception.

Either way, we're working towards making your stay as enjoyable as possible.
