# MARK SCHEME for the October/November 2009 question paper for the guidance of teachers

# 8686 URDU LANGUAGE

8686/02

Paper 2 (Reading and Writing), maximum raw mark 70

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers

Mark schemes must be read in conjunction with the question papers and the report on the examination.

CIE will not enter into discussions or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the October/November 2009 question papers for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

#### Quality of Language: Accuracy (for questions 3, 4 and 5)

# 5 Very Good

Consistently accurate. Only very few errors of minor significance. Accurate use of more complex structures (verb forms, tenses, prepositions, word order).

#### 4 Good

Higher incidence of error than above, but clearly has sound grasp of the grammatical elements in spite of lapses. Some capability to use accurately more complex structures.

#### 3 Sound

Fair level of accuracy. Common tenses and regular verbs mostly correctly formed. Some problems in forming correct agreement of adjectives. Difficulty with irregular verbs, use of prepositions.

# 2 Below average

Almost all sentence-patterns are simple. Expression very forced and pedestrian. Vocabulary limited and pedestrian.

#### 0-1 Poor

Little or no evidence of grammatical awareness. Most constructions incomplete or incorrect. Consistent and repeated error.

**For questions 3 and 4**, the 5 marks for the quality of language will be awarded globally for the whole performance on each set of answers. With regard to **length**, a concise answer containing all mark-bearing components for content is scored on the full range of marks for language, i.e. length does not determine the quality of language mark. An answer scoring 0 for content cannot score **any** language marks, and the total available on the whole set of answers will therefore be affected. The final total for language will be reduced on the following scale:

Answer(s) worth 2 or 3 scoring 0: reduce final assessment by -1

Answer(s) worth 4 or 5 scoring 0: reduce final assessment by -2

Answer(s) worth 6 or 7 scoring 0: reduce final assessment by -3

Answer(s) worth 8 or 9 scoring 0: reduce final assessment by -4

Note: A minimum of 1 mark for quality of language should be awarded if there are any content marks at all (i.e. 0 language marks only if 0 content marks).

#### 5 Comprehension Essays

These are marked according to the published mark grid.

# Possible points for inclusion:

The key here is understanding the different behaviour at the time in question of the British towards Indians and Africans.

Attitudes to Africans: they were regarded as inferior, not capable of being educated, suitable only to be treated as slaves.

Attitudes to Indians: although a subject people, their bravery was recognised and respected (Tipu Sultan); they fought alongside the British.

Marks awarded for up to 10 appropriate points but there should also be direct comparison/contrasts made. No marks can be awarded for simply summarising the passages.

# Response to the Text (for question 5)

Mark like a mini-essay according to the variety and interest of the opinions and views expressed, the response to the original text stimulus and the ability to express a personal point of view. Further, more detailed guidance for particular questions will be given to examiners.

#### 5 Very Good

Varied and interesting ideas, showing an element of flair and imagination, a capacity to express a personal point of view.

#### 4 Good

Not the flair and imagination of the best candidates, but work still shows an ability to express a range of ideas, maintain interest and respond to the issues raised.

#### 3 Sound

A fair level of interest and ideas. May concentrate on a single issue, but there is still a response to ideas in the text.

#### 2 Below average

Limited range of ideas; rather humdrum. May disregard the element of response to the text, and write a largely unrelated free-composition.

#### 0-1 Poor

Few ideas to offer on the theme. Banal and pedestrian. No element of personal response to the text.

Repeated error.
