

Task A – Dictation

- SAY**

Task A is a Dictation exercise. We will complete this together.

Turn to page 11 of your English Test. Some words are missing from the passage. Your task is to write the missing words in the boxes when I tell you. First I will read the whole passage to you. Then I will read it again slowly and I will stop at each box and tell you which word to write. You need to write the missing word in the box. Remember to write neatly so that your answer can be read easily. Listen while I read the instructions.

'Wait for your teacher to read the dictation to you. When your teacher tells you, write the word in the space provided.'

Now listen while I read the whole passage. Do not write anything yet.

- READ** the following passage through once. The missing words are underlined.

There were twelve schools involved in our School Sports competition. I was proud of myself because I did really well in my field event. I was very nervous when I heard my event called, but I won. All that training was worth it! Our school didn't win unfortunately, but at assembly Mrs Douglas said the event had been very successful.

Now I will read the passage again and give you time to write the missing words.

- **READ** the passage again.

Task B – Editing

- **SAY**

Look at Task B on page 12. This task contains sentences that have some words spelled incorrectly. These words are circled. You are to read the sentences silently to yourselves and then write the correctly spelled word in the space provided. I am not able to read the sentences to you.

You have approximately 5* minutes to complete this task. You may start now.

**The teacher may vary this slightly to suit student needs.*
