#### Case study

You will be working with a Community Sports Development Officer to develop a new local cricket club. The plan is for the cricket club to have two adult teams and five teams for different age groups from five to 17 year olds.

The site of the new cricket club is on the edge of a small town. It is easy to get to the club by walking or by driving and there is a good bus link. The facilities planned for the cricket club will include a meeting room, toilets, changing rooms with showers, a bar and a car park. The players will have to pay a yearly membership fee and also a weekly match fee. The club will need this money so that it can operate.

There are primary and secondary schools as well as colleges in the town.
