- D. neither a male nor a female.

21. According to the passage, which is true about Chinese surnames?
- A. They always carry certain meanings.
 - B. They usually consist of only one character.
 - C. The best surnames are made of two characters.
 - D. A lot of Chinese people have the same surnames.
22. In order to avoid too many people having the same name, the author suggests using
- A. a different family name.
 - B. as many characters as possible.
 - C. one character for a given name.
 - D. two characters for a given name.
23. Which of the following is **not** mentioned in the passage?
- A. the order of Chinese names
 - B. the most popular Chinese family names
 - C. some characters are only used for male names
 - D. the number of characters in Chinese given names
24. The purpose of this passage is to
- A. give the reader a Chinese name.
 - B. provide knowledge about Chinese given names.
 - C. offer the reader some choices about a Chinese name.
 - D. advise the reader to get a Chinese name suitable for his/her personality.
