

**CHANGE OF FORMAT FOR PRE-U MATHEMATICS (9794)
EXAMINATION IN JUNE 2012**

Note that, from June 2012, the Pre-U Mathematics (9794) Examination will consist of three papers of 2 hours each (not two 3 hour papers as previously).

Papers 1 and 2 will test Pure Mathematics.

Paper 3 (Applications of Mathematics) will test Probability and Mechanics.

The new format is exemplified by the Revised Specimen Papers, which are also available on this site.
