

## Wednesday 9 January 2019 – Morning

### LEVEL 3 CAMBRIDGE TECHNICAL IN IT

05838/05839/05840/05841/05842/05877 Unit 1: Fundamentals of IT

**Duration: 1 hour 30 minutes**  
**C380/1901**

**You must have:**

- no materials required

First Name						Last Name				
Centre Number						Candidate Number				
Date of Birth	D	D	M	M	Y	Y	Y	Y		

- INSTRUCTIONS**
- Use black ink. You may use an HB pencil for graphs and diagrams, if required.
  - Complete the boxes above with your name, centre number, candidate number and date of birth.
  - Answer **all** the questions.
  - Write your answer to each question in the space provided.
  - If additional answer space is required, you should use the lined page(s) at the end of this booklet. The question number(s) must be clearly shown.

- INFORMATION**
- The total mark for this paper is **80**.
  - The marks for each question are shown in brackets [ ].
  - Quality of extended response will be assessed in questions marked with an asterisk (\*).
  - This document consists of **16** pages.

FOR EXAMINER USE ONLY	
Question No	Mark
Section A: 1-15	/15
Section B: 16	/10
17	/10
18	/7
19	/9
20	/12
21	/10
22	/7
<b>Total</b>	<b>/80</b>

**SECTION A**

Answer **all** the questions.

Put a tick (✓) in the box next to the **one** correct answer for each question.

**1** Which of the following is an input device?

(a) Barcode reader

(b) Headphones

(c) Printer

(d) Speaker

[1]

**2** Which of the following is safe to remove whilst a laptop is running?

(a) External hard drive

(b) Hard drive

(c) RAM

(d) ROM

[1]

**3** Which of the following is an example of a port?

(a) SAS

(b) SATA

(c) SCSI

(d) SMS

[1]

4 Which of the following connection technologies requires line of sight?

(a) Bluetooth

(b) GSM

(c) Laser

(d) WiFi

[1]

5 Which of the following is **not** part of the Internet of Things?

(a) Smart bulb

(b) Smart iron

(c) Smart refrigerator

(d) Smart thermostat

[1]

6 Which of the following is an example of an engine management system in a car?

(a) Embedded

(b) Freeware

(c) Off the shelf

(d) Open source

[1]

7 Which of the following is part of an Integrated Design Environment (IDE) that converts instructions into machine code?

(a) Compiler

(b) Debugger

(c) Interpreter

(d) Text editor

[1]

8 Which of the following **best** describes a personal computer (PC) used at home?

(a) Multiuser multitasking

(b) Multiuser single application

(c) Single user multitasking

(d) Single user single application

[1]

9 Which communication method would be **most** appropriate for discussing a new plane design?

(a) Email

(b) Instant messaging

(c) Teleconference

(d) Video conference

[1]

10 Which of the following is **not** a feature of an Internet Protocol (IP)?

(a) Forwarding packets to individual computers.

(b) Putting packets back together in order.

(c) Sending packets to the Domain.

(d) Sending packets to the Gateway.

[1]

11 Complete the following sentence:

\_\_\_\_\_ virtualisation typically uses a mixture of private and public cloud services.

(a) Client

(b) Hybrid

(c) Server

(d) Storage

[1]

12 Which of the following is an element of a Class C network that will default to 255.255.255.0?

(a) Default gateway

(b) Host IP address

(c) Local IP address

(d) Subnet mask

[1]

13 Complete the following sentence:

A token ring network is an example of a \_\_\_\_\_ .

(a) LAN

(b) MAN

(c) PSTN

(d) WAN

[1]

14 Which of the following is **not** a characteristic of an ADSL connection?

(a) Faster upload than download rate

(b) Fibre optic connection

(c) Microfilter installed on the line

(d) Simultaneous voice and data connection

[1]

15 Which of the following is **not** a common characteristic of helpdesk software?

(a) Sales ordering process

(b) Service level agreement

(c) Technician assignment

(d) Ticketing

[1]

**Section A Total:**  
**(for examiner use only)**

**SECTION B**

Answer **all** the questions.

Monty Bella Retail operates five retail parks throughout the UK. After years of underinvestment, the information technology (IT) of the company is aging and is no longer fit for purpose. Monty Bella Retail has decided to move its IT infrastructure from its own data centre to the Cloud using public cloud providers. Monty Bella Retail also wants to upgrade all IT in its retail parks.

Monty Bella Retail would like to use technology to improve the customer experience whilst shopping. Each retail park will feature similar equipment to allow data about customers, their purchases and shopping habits to be shared amongst the business. Shoppers will also be tracked as they move through the retail parks. This information will be used for marketing purposes, to create promotions and to ensure the items that shoppers are looking for can be easily located.

**16** Monty Bella Retail would like to track shoppers as they move through the retail parks using wireless technologies.

**(a)** Identify and describe **two** wireless technologies that could be used to track shoppers as they move through the retail parks.

1 .....

.....

[6]

**22** Monty Bella Retail uses a Management Information System (MIS) and a Customer Relationship Management (CRM) system.

**(a)** Explain the purpose of MIS and CRM systems.

MIS .....

.....

.....

.....

.....

.....

CRM .....

.....

.....

.....

.....

.....

[6]

**(b)** Monty Bella Retail uses a web server to host its web site.  
Identify **one other** type of server Monty Bella Retail could use.

.....[1]

**END OF QUESTION PAPER**

**ADDITIONAL ANSWER SPACE**

If additional answer space is required, you should use the following lined page(s). The question number(s) must be clearly shown in the margin(s) – for example 17 or 21.

A large rectangular area with a solid vertical line on the left side and horizontal dotted lines across the page, providing space for writing answers.

A series of horizontal dotted lines for writing, spanning the width of the page.
