

Answer **ALL** questions.

Read the following Case Study and answer all 6 questions in the spaces provided.

Mia was born in India and lived in a large, Hindu family. She had a happy childhood. Hindi is her first language. Her father made most of the decisions for the family. She met and married John an English Army officer. They now live on an army base in England with their four children aged 15, 11, 4 and 2. John is serving in Afghanistan. Mia and the children are a long way from John's parents who are very frail. Mia has not been well since the birth of her youngest child. She is studying part time with the Open University.

1. (a) In the boxes below, identify **two** changes or developments which Mia has experienced since marrying John.

<p>Physical changes or developments</p> <p>1</p> <p>.....</p> <p>2</p> <p>.....</p>	<p>Intellectual changes or developments</p> <p>1</p> <p>.....</p> <p>2</p> <p>.....</p>
<p>Mia</p>	
<p>Emotional changes or developments</p> <p>1</p> <p>.....</p> <p>2</p> <p>.....</p>	<p>Social/cultural changes or developments</p> <p>1</p> <p>.....</p> <p>2</p> <p>.....</p>
